Construction Due To Start In The Spring

City Hospital Will Add New Wing

Construction is scheduled to start in the spring on a two-story addition to the West Wing of East Liverpool City Hospital, Miss Nell Robinson, superintendent, announced today after approval of the project by the Board of Trustees.

The drawing above by James Nessly Porter, the architect, shows how the wing (in the foreground, adjacent to the parking lot) will look upon completion. Part of the main hospital building, facing

on W. 5th St., is in the background. This latest phase of an expansion program will provide enlarged and modernized pediatric and dietary departments. It will include additional bed facilities and auxiliary service rooms for children, a modern food handling system for all patients and cafeteria facilities for the hospital personnel.

Plans for the project will be finalized in the near future, Miss Robinson said.

'To Show There Are Good White People In Alabama'

White Group Sets March To Protest Intimidation In Negro Vote Signup

SELMA, Ala. (AP) — Members of a group called the "Concerned White Citizens of Alabama" converged on Selma today for a march protesting what they described as intimidation of Negro voter applicants.

The group planned an afternoon procession to the Dallas County courthouse. The leader is the Rev. Joseph Ellwanger, pastor of St. Paul's Lutheran church of Birmingham and a former resident of Selma.

Rev. Ellwanger said it was a spontaneous movement with members coming mainly from Birmingham, Huntsville, Tuscaloosa, Auburn and Montgomery.

Its purpose he said, is to show "there are good, respectable white people in Alabama who really are very much concerned with the injustices here in Alabama."

At Marion, two white men pleaded guilty to charges of assaulting newsmen during an outbreak of violence two weeks ago. Both were fined.

Mayor R. L. Pegues, who also serves as city judge, fined lumber salesman Sam Dozier \$78.75 and service station operator Woodfin Nichols \$53.75. Dozier was charged with hitting Richard Valeriani, NBC correspondent from Washington, on the head with a club. Several stitches were required to close the wound.

Nichols was charged with hitting Pete Fisher of New Orleans with his fist. Fisher is a United Press International photographer.

The case of Redge Bearden, an insurance salesman, was postponed until next week. He is free under \$100 bond on charges of defacing property by spray-

ing paint on photographers' camera lenses.

Meanwhile, Negro civil rights leaders stepped up recruiting and organization work for an announced 50-mile march from Selma along busy U.S. 80 to Montgomery.

The Rev. James Bevel, a top aide of Dr. Martin Luther King Jr., said King will return to Selma Sunday afternoon to lead the start of the march to Montgomery, capital of the Confederacy a century ago.

King said the march is to dramatize Negro demands for more liberal voter registration laws.

The goal, he said, is to have 500 to 800 Negroes in the line of march, which will continue three to four days.

King, the 1964 Nobel Peace Prize winner, who has directed a seven-week Negro registration

drive in six counties in Alabama's Black Belt, conferred with President Johnson in Washington Friday. The Black Belt is so-called for its rich soil.

"I had a very good and fruitful discussion with the President on many vital issues facing our nation," he told newsmen.

The integration leader said Johnson emphasized that serious consideration is being given to a provision for federal registrars to handle voter registrations. King said this is a provision that must be included as far as he is concerned.

The Negro leader scheduled a meeting with associates in Atlanta today to decide whether to ask the Justice Department to send federal marshals into Alabama. King said he did not discuss the use of marshals with the President.

2 Men In City Thefts Held In Pa. Case

Two Steubenville men, already facing Columbiana County Grand Jury action as a result of seven alleged burglaries in East Liverpool and Wellsville, are now due hearings at Burgettstown for thefts of 13 guns, ammunition and other items from a sporting goods store.

Howard Grant, 24, and George Brown, 21, were taken into custody Friday by Steubenville police at their homes on fugitive warrants issued by Pennsylvania authorities.

The two waived extradition at a hearing at Steubenville and were turned over to Burgettstown police.

They are accused of a burglary of the Wayne Cully sporting goods store at Burgettstown and the removal of a pellet gun, an air rifle, five other rifles, five pistols, two shotguns, 102 boxes of assorted ammunition, a boys jacket, two hunting coats and three pairs of heavy rubber boots.

Police said some of the loot was recovered. They will be charged with burglary and larceny, officers said.

The two, along with Chalmers Grant, 18, of Steubenville were arrested in Wellsville Feb. 17 by Patrolman Denton Keenan, who was checking out a reported burglary at a service station at 6th and Main St.

They were bound over to the Grand Jury on that burglary, and were also accused of entering two other Wellsville service stations and four East Liverpool service stations.

East Liverpool officials said the city burglary charges will be referred directly to the Grand Jury.

Compulsory Plan Pressed

Legislative Action Near On Car Inspection Bills

By WILLIAM S. VANCE, Review Staff Correspondent

COLUMBUS, Ohio—The push is on for compulsory motor vehicle inspection in Ohio, a subject that has been kicked around — and out — in every Ohio General Assembly session for more than a decade.

Four bills—three in the House and one in the Senate—have been introduced and the hotly contested issue is expected to attract more attention this year than at any time since 1953.

That was the only time an inspection bill managed to roll through both houses of the Ohio Legislature, only to collide with a veto by then Gov. Frank J. Lausche.

The reason for the veto—a conflict between proposed state and existing local inspecting agencies—has been eliminated. But there are bumps in the road.

Although it is not strictly a partisan issue, Democrats have been more enthusiastic about it than Republicans. Chief sponsors of all four bills are Democrats, a fact that could be significant in the House which has a 75-62 GOP edge.

Beyond that, compulsory inspection has not been welcomed with open arms by the Rhodes administration. The governor himself has remained silent publicly but is said to have reservations about mandatory inspection.

Would Charge Fee Part of this can be explained by the fact that a fee would be charged for the inspection. This was attacked by opponents two years ago as a tax on the

motorist and Rhodes has made it clear how he feels about new or increased taxes.

The administration's silence probably accounts for the official neutrality of the Department of Highway Safety which normally leads the parade of drum beaters for any legislation aimed at putting a dent in the highway death toll.

Highway Safety Director Warren C. (Bud) Nelson is not against the idea of compulsory inspection but he won't put his department on record as favoring it.

'It's Bound To Come'

"We'll wait and see what the legislature does with the bills," he said. "Compulsory inspection may not become law this year, but it's bound to come soon."

Two years ago a vehicle inspection bill was dumped by the House 52-72 amid charges it "would create the biggest racket Ohio ever has seen."

This charge is raised because

U.S. Effort To Orbit 2 Slated This Month

HOUSTON, Tex. (AP) — The United States will make its first attempt to orbit two astronauts in a single space vehicle later this month, according to a Manned Spacecraft Center official.

The announcement was made Friday in Washington by Dr. George Mueller, assistant director for manned space flight. Prior statements had set the initial two-man voyage for April.

Cent Pop Tax In Ohio Will Be Proposed

TOLEDO, Ohio (AP)—A penny-a-bottle tax on soda pop will be proposed in the Ohio legislature next week as a means of raising an estimated \$20 million a year—half for education, half for mental hygiene.

Veteran Republican Rep. Raymond Hildebrand of Toledo said today he is introducing the measure because he is concerned that the appropriations bill now being considered does not "provide enough in either field."

"With the way the state's population is expanding, we need a lot more than that," he said. "We must get going on an expansion in both education and mental hygiene immediately."

Hildebrand said the tax — which he proposes run 10 years — is the same as he introduced in the House during the 105th general assembly two years ago. The proposal died in the Taxation Committee, largely, Hildebrand said, because of the governor's "no new tax" policy.

The governor is too determined to keep taxes down," said

Largest Draft Call In Over Year Slated

WASHINGTON (AP) — The Defense Department has announced its largest draft call in more than a year.

A quota of 15,100 men was set Friday for May. That's 1,400 more than the April quota, and the largest since the 16,100 in January 1964. The lowest quota last year was 3,300 in August.

Enlistments have decreased amid speculation the draft system may be ended.

Wilson Set For German Discussions

May Trigger Clash On Cost Of British Soldiers On Rhine

BERLIN (AP) British Prime Minister Harold Wilson arrived in Berlin today for the first visit a British government head has paid to this divided city in 16 years.

Wilson was welcomed at the airport by West Berlin Mayor Willy Brandt, British Ambassador Sir Frank Roberts and other officials.

The prime minister will go on to the West German Capital of Bonn Sunday for talks with Chancellor Ludwig Erhard that could trigger a clash over upkeep costs of the British Army of the Rhine.

Wilson was accompanied from London by Foreign Secretary Michael Stewart.

Wilson is under leftwing pressure to cut defense spending and was expected to bring up the question of Britain's 51,000-man Rhine army. He has said its maintenance in Germany was posing an "impossible and appalling" burden on Britain's sick economy.

It costs about \$250 million a year in foreign currency. In return, the Germans spend about \$70 million annually on British military goods.

Erhard was expected to counter that the Rhine army is there to defend Britain as much as West Germany and Wilson's complaints should go to the North Atlantic Treaty Organization and not to Bonn.

Withdrawal of troops is a touchy political subject in West Germany where Erhard faces an election in September.

Wilson is likely to call an election in a year or so. He has governed with a narrow margin in parliament and has said a cut in defense spending is necessary if Britain's economy is to recover.

Erhard was expected to point out that West Germany joined other friendly nations recently to guard the pound from devaluation.

Wilson may tell Erhard that the Rhine army went to West Germany not primarily to defend Europe, but to reassure the French against the possibility of runaway German rearmament.

He might also point out that the French have pulled troops from Germany without criticism from the Germans.

Beaver County To Get Youth Corps Project

BEAVER — Rep. Frank M. Clark announced today at Washington that a Neighborhood Youth Corps project, under the Economic Opportunity Act, has been approved for Beaver County.

The program will help train economically deprived boys and girls 16 through 21.

The program will provide for 75 enrollees at a cost of \$105,780, with the federal share being \$91,700.

Job assignments will cover nursing assistants, clerk assistants, occupational therapist aides and physical therapist aides.

The county Home and Hospital Medical Advisory Board met Friday and approved initiating this program at the Home and Hospital.

Mock Bomb Runs Over Saigon Touch Off Rumor Of Coup

U.S. - Soviet Rift

May Widen Over Viet Nam War

By JOHN M. HIGHTOWER, AP Special Correspondent

WASHINGTON (AP) — U.S. officials look for increasing difficulties in relations with Russia as world tensions continue to build over the expanding war in South Viet Nam.

The Soviet government may move away, at least temporarily, from its declared policy of peaceful coexistence with the West, U.S. officials believe.

Some bridging over of the quarrel between Russia and Red China is also considered possible since both Communist powers are backing North Viet Nam in its fight with the United States and South Viet Nam.

The prospect of worsened U.S.-Soviet relations is a source of concern here. It already has caused the shelving of plans for an exchange of top-level visits later this year.

But Washington authorities say they see no way of avoiding the hard issues of the Vietnamese struggle until and unless a peaceful settlement becomes possible.

No such settlement is in sight

now. The outlook rather, is said to be for more U.S. air strikes against targets in North Viet Nam.

The United States is following a strategy of bombing military bases in the north in an attempt to persuade the Hanoi regime that unless it stops sending troops and arms into the south it runs an increasingly dangerous risk of massive destruction.

Secretary of State Dean Rusk briefed Latin American ambassadors Friday on Viet Nam in a 50-minute session at the State Department. He is reported to have told them emphatically that the United States intends to pursue its present policy of defending South Viet Nam until North Viet Nam agrees to halt aggression.

He also is reported to have told them that in spite of the peace-seeking efforts of a number of countries, including Britain, France, Russia and India, the North Vietnamese have so far given no indication whatever that they are ready for negotiations on terms acceptable to the West.

Police Put On Alert In Viet Capital

Viet Cong Ambush Government Patrol Kill Army Officer

SAIGON, South Viet Nam (AP) — Mock bombing runs over Saigon by air force sky-raidiers stirred rumors of a coup today and bolstered reports of possible anti-American demonstrations during the weekend.

Saigon police had gone on full alert after receiving reports that some neutralist groups would stage demonstrations. None had developed by evening.

Some officials felt air force pilots may have spotted a force of Marines detailed to a downtown park in case of a demonstration and sounded a coup alarm.

One high ranking source said, "I think we'll all be able to sleep in peace tonight. But it seems there might be some young army colonels and other officers around who might be kicking up their heels. They've been making unhappy noises about the generals not yet being back with the troops."

Vietnamese military brass have been concentrated in the capital since the ouster of Lt. Gen. Nguyen Khanh Feb. 21.

The quickened pace of battle in the area around Da Nang Air Base about 380 miles north of here showed no let up, as the Viet Cong ambushed a government armored patrol Friday night and killed the commander of the Vietnamese army's first regiment.

Lt. Col. Ho Duc Hanh's body and the bodies of five others were found today burned inside a destroyed armored personnel carrier.

In the Quang Nam-Quang Tin border area, eight F100 jet fighter-bombers struck in support of a ground operation Friday. Unconfirmed accounts said 50 Viet Cong were killed.

A U.S. Army officer was wounded today while accompanying a Vietnamese army unit on an operation about 70 miles southwest of Saigon. The officer suffered fragment wounds in the right arm and leg from a grenade trap. His condition was not believed serious.

Both Claim Victory In USW Voting

PITTSBURGH (AP) — I. W. Abel has won the election for president of the United Steelworkers, he says. Not so, says incumbent president David J. McDonald.

Abel, USW secretary-treasurer, said in a statement Friday he has upset McDonald and all that remains "is going through vote appeals."

McDonald quickly countered with a statement indicating he has been elected for a fourth four-year term but said the result won't be known until vote protests are processed.

The Associated Press has learned that when union tellers completed the tabulation Abel led by 6,228 votes.

Though the union still must investigate more than 100 cases in which locals reported more votes than they have listed members, it was reported Abel's lead is insurmountable.

Union law requires the tellers to announce the official outcome by May 1. It was not known when this report will be issued.

Elderly Man Flees As Fire Razes House

Dwelling Destroyed At Wellsville After Railmen See Glow

An elderly Wellsville man fled into the cold early today before fire destroyed his lower Main St. home.

Ernest Hopkins, 1841 Main St., was found in his pajamas, walking back and forth in the snow, by police who received a report of the blaze about 2 a.m.

Patrolmen Charles Amato and Frank Daniels were sent to the scene to investigate after receiving a call from the Yellow Creek Tower of the Pennsylvania Railroad that "something was burning" at the lower end of Wellsville.

Fire Chief Robert Lewis said the blaze illuminated the entire sky. Police summoned firemen arriving at the scene. Police took Hopkins to the fire station for warmth.

When firemen arrived, the

Hancock Ups Assessments \$11 Millions

\$169,988,815 Sets All-Time High In County Evaluations

Anthony Pirraglia, Hancock County assessor, today announced that real estate, personal and public utility properties in the county have been assessed at an all-time high of \$169,988,815, representing a rise of \$11,995,355 over 1964.

Pirraglia on Friday personally delivered copies of the assessment figures to each of the levying bodies in Weirton, New Cumberland, and Chester, along with the County Court and Board of Education. This got him under the state's March 8 deadline by three days. The five levying bodies use the assessment figures to set their budgets and levy rates in the fiscal 1965-66.

The new assessor said that this year's assessment represents 45 per cent of the "true and actual" value of the property.

Compromise Version Eyed

Action On Death Penalty Ban Due In West Virginia

CHARLESTON (AP) — The legislature faced final decisions today on abolishing capital punishment laws under which West Virginia has executed 94 men by hanging or electrocution.

Awaiting action was a joint conference committee's agreement to take the middle ground between different House and Senate versions of the bill to repeal the death penalty.

Action on the compromise version was to come first in the House, where the bill originated. If approved there, it then was to go to the Senate, scheduled to meet two hours later.

For crimes which now may carry sentence to the electric chair, the bill substitutes a life prison term as the only sen-

tence for first-degree murder and as the maximum penalty for kidnapping, rape and treason against the state. The committee compromise agreed upon Friday also:

Rules out parole eligibility for the first 25 years of a life sentence for first-degree murder, kidnapping or rape if there is no jury recommendation for mercy.

Permits parole consideration after 10 years of a life sentence for first-degree murder or kidnapping if the jury recommends mercy.

Provides a prison sentence of 10 to 20 years for rape if the jury recommends mercy.

Provides a life sentence with

The Rev. Charles Kampmeyer, pastor, gave the address with Mrs. Roy Richards, council president, presiding. The offering amounted to \$41.51 at the Lutheran church.

THE REV. R. L. Southall, pastor of the Second Baptist Church, was speaker for the service conducted at the Oakland church.

Miss Lilly Mae Hall, evangelist from Granada, Minn., gave the invocation, and the Rev. H. E. Estel, pastor of the host church, the call to worship and the benediction.

Vocal solos were presented by Miss Frances McGee and Mrs. Bonnie McFarland. Mrs. Martha Anderson was organist. An offering of \$28.74 was received.

The Second Baptist choir sang "He's Got the Whole World in His Hands." Mrs. Fern Cowser was song leader and

sang as a trio with Mrs. Gladys Fry and Mrs. Alma Richardson.

A WORLD globe and red satin ribbon on a white background formed the worship setting at the Glenmoor United Presbyterian Church, which was the hostess unit for the Longs Run and Calcutta churches. About 55 attended.

Mrs. Lois Myers spoke on the theme "What Doth the Lord Require." Mrs. Ruth Eiferd gave the prayer of dedication. Mrs. Eileen Brown was soloist. Mrs. Virginia Smith, chairman, gave the benediction.

A fellowship tea followed in the social rooms where the buffet table, covered with a floral cloth, featured a centerpiece of spring flowers flanked by lighted tapers in white milkglass holders.

## Panel At Wellsville Aims 'Race Problems'

A panel discussion on "Race Problems" was held at the World Day of Prayer observance Friday night at the Wellsville First Methodist Church under the sponsorship of the Council of United Church Women. About 60 attended.

Mrs. Ruth Frischkorn was moderator and Mrs. Charles Valentine, Mrs. Alva Dickey, Mrs. Arden Beck and Mrs. Ed Pugh, panelists.

The Rev. Mark Allen of the Toronto United Presbyterian Church spoke on his exper-

ces last summer at Jackson, Miss.

Mrs. Pat Sanko read the Scripture and offered prayer. Mrs. Naomi Roach was soloist. An offering of \$12.11 was received.

About 175 attended the children's service held in the afternoon at the Covenant Presbyterian Church where Mrs. Frischkorn served as leader. The offering amounted to \$12.10.

Those participating in the program were Daniel Crook, Nancy Rose, Craig Wellington and Mrs. William Shoub. Vocal selections were presented by the Gooch Sisters, accompanied by their mother, Mrs. Marceline Gooch.

The Junior Choir sang at the afternoon services held at the First Christian Church with about 60 attending and giving an offering of \$5.15.

Miss Jo Ann VanDyke, leader, was assisted by Cathy Sumpter, Linda Mick, Sherry Lynn VanTilburg, Mark Bush and Jeff Huston.

The Rev. Robert Andrews, pastor, gave prayer. Mrs. Nell Piatt accompanied group singing.

## 95 Attend Services Conducted In Chester

Attendance totaled 95 for the World Day of Prayer services held Friday at the First United Presbyterian Church of Chester. There were 33 children at the afternoon service and 62 adults for the evening service. The offering amounted to \$80.

The Rev. Robert Schondelmayer of the First United Presbyterian Church was speaker, in the absence of Mrs. Alexander Wilson, wife of the pastor of the Mill Creek and Hookstown United Presbyterian Churches. She was unable to attend because of weather conditions.

## 65 Attend Lisbon's World Day Of Prayer

LISBON — The Rev. Mark Headland, pastor of the Trinity Friends Church west of Lisbon, was guest speaker at the World Day of Prayer observance Friday at the First Methodist Church. About 65 attended.

Special music was presented by Jack Hammett of Lisbon and Mrs. Kenneth Muggidge of the Methodist Church presided over the hour - long service sponsored by the Lisbon Council of United Church Women.

## 26 See Nature Slides In Hancock Program

Albert Tenney of the Forest Audubon Club of Steubenville gave a color slide program, "The Four Seasons," at the Courthouse Annex at New Cumberland Thursday evening. There were 26 present at the meeting, one of a series in a nature study program sponsored by the Hancock County Nature Committee.

The next indoor program, to be held Thursday at 7:30 p.m. at the annex, will consist of talks on woodland flowers by Kathryn Minesinger, common flowering plants by Oliver Johnson, and other flowers by William Murray.

Reservations are filled for the indoor lectures, but there is no limit on attendance for the upcoming field trips, Johnson announced.

## Palestine High Names Top Oratory Winners

EAST PALESTINE — Judy Zundel, a junior, and James Kelvington, a senior, were first place winners in the Capt. Taggart oratory contest at an assembly Friday at East Palestine High School.

Their parents are Mr. and Mrs. Jacob Zundel of N. Market St. Ext., and Mr. and Mrs. James Kelvington of W. Walnut St. They received \$10 and will be awarded a gold pin at the annual recognition assembly.

Second-place winners were Alan Coen, a sophomore, and Candy Lundy, a senior. The event, which has been held some 40 years, was sponsored by the Speech Department.

## Sharp Budget Hike Cleared For Ohioville

Ohioville Council Thursday night adopted a budget for the current year in the amount of \$55,443.70, an increase of \$22,117 over last year.

Louis Poff, president, pointed out that despite the increase, tax rates will remain the same. The tax on real estate is 7 mills and the per capita tax 3 mills.

The major expenditures in the new budget include general funds, \$11,385; protection, \$4,588; streets and highways, \$7,750 and special services and miscellaneous, \$250 each.

Mrs. Earl Carroll, borough secretary, said additional revenues are expected from new construction and from improvements on existing structures.

Included in the budget are payments for a new truck, a \$25 monthly pay increase for police and the erection of several street lights.

Mrs. Carroll was instructed to write district legislators urging their support for repeal of Act 299, the school district reorganization law enacted in 1963.

Opposition was voiced because of the mandatory provision of the act dealing with consolidation of districts.

Council will meet with the Ohioville Planning and Zoning Commission March 18 at 7:30 to discuss future plans.

Mayor Elmer G. Gifford presented the police report for February, which showed 13 complaints and three arrests.

Bills in the amount of \$2,565.07 were approved for payment. The next regular meeting will be held April 1.

## Group At Elkton Has Card Prizes

Mrs. Mercina and Mrs. Don Carmen were guests.

Mrs. John Altomare of Leontonia will be the next hostess. Mr. and Mrs. Victor Hedl of Leontonia were dinner guests.

Wednesday night at the home of Mr. and Mrs. George Jones. Mrs. Raymond Baker of the Lisbon - Elkton Rd. entertained 15 at a home products party Tuesday night.

Mrs. George Eells and son Scott, of the Lisbon - Elkton Rd. visited Tuesday with Mrs. Robert Hill of Columbiana.

## Woman Convicted In Prostitution Case

YOUNGSTOWN, Ohio (AP)—A Youngstown woman was convicted Friday night of arranging to have a 15-year - old Scranton, Pa. girl cross state lines for the purpose of prostitution.

U. S. District Court Judge Frank Battisti sentenced Mrs. Alice Mills, 40, to eight years on both counts of which a jury found her guilty. She got five years for conspiring to transport the girl to Youngstown and three years for violating the Mann Act, by providing the transportation money.

The jury found Charles Winford, 24, of Youngstown, innocent of conspiracy in the case. Ted Jackson, 25, of Cambridge, Ohio, pleaded guilty Monday to conspiracy and violating the Mann Act. He admitted buying the ticket to transport the girl with money received by wire. His sentence is pending.

## Train-Truck Collision Killed Ohio Man, 38

WAPAKONETA, Ohio (AP)—A truck-train collision on a U.S. 33 crossing at St. Johns has killed a rural Wapakoneta truck driver, Lester V. Zwiebel, 38.

The Auglaize County sheriff's department said Zwiebel rammed the side of a D. T. & I. freight Friday. The truck cab burned and eight cars of the train were derailed. It was snowy and foggy at the time.

## Ohio

(Continued from Page 1)

all bills have proposed state licensing of private garages as inspection stations which would collect the inspection fee and possibly some extra business with it.

Nelson said close supervision by the State Highway Patrol should eliminate any chance of fraud or racketeering.

Says 75 Patrolmen Needed At least 75 patrolmen would be needed to supervise the stations properly, he said. This would cost an estimated \$780,000 a year, but Nelson said the expense would be offset by license fees for the stations plus a fraction (15 cents) of the proposed \$1.50-per-car inspection charge.

Unfortunately for backers of compulsory inspection, no statistics are kept which show how many highway deaths are linked to faulty vehicles.

About the only statistic proponents can cite is that states requiring inspection have had only 13 per cent fewer fatalities per mile driven than those without inspection laws.

Required in 20 States Twenty states and the District of Columbia require inspection. Since these include some of Ohio's neighbors, sponsors of the inspection bills fear more "junk" autos will be peddled in Ohio from other states unless inspection is started here.

According to Nelson, the biggest flaw in previous inspection bills was that they did not spell out what parts of the vehicle had to be inspected.

One of the House bills takes care of that. It would require inspection to cover engine and exhaust system, body, tires, directional signals, windshields and wipers, lights and reflectors, brake equipment, horns and warning devices, rear-view mirrors and safety glass.

Would Require Seat Belts Nelson would add seat belts to that list and eliminate the engine, which he said would be impossible to check thoroughly at an inspection station.

No one can predict now whether an inspection bill will make the grade this year, but more organized support is developing.

In addition to the organizations which usually endorse auto inspection, including the National Safety Council, the Automotive Safety Foundation and the American Automobile Association, other groups are lending support for the first time.

These include the U.S. Junior Chamber of Commerce, the General Federation of Women's Clubs and the Ohio Farm Bureau.

All four bills before the legislature will be heard in committees within the next two weeks.

Rep. Thomas D. Gindlesberger, R-Holmes, chairman of the House Commerce and Transportation Committee, said he plans to begin hearing the House measures Tuesday, March 16. Sen. Robert Stockdale, R-Portage, chairman of the Senate Highways Committee, plans to open Senate hearings the following day.

## State Highway Patrol Charges Cost 5 Fines

LISBON — Five motorists were fined Friday by County Judge J. L. MacDonald on State Highway Patrol citations.

Kenneth N. McCullley, 19, of Lisbon R.D. 1 was fined \$25 and costs for speeding and \$10 and costs for driving an unsafe vehicle. His driver's license was suspended until his car is put in good condition and passes state patrol inspection. He was cited for going 80 mph. although his four tires were smooth, the foot brake went to the floor and the handle on his hand brake was broken.

Others fined were Joseph Cengros, 64, of Minerva, \$10 and costs for failure to yield right-of-way, and Frank Snodgrass, 48, Columbiana; Wayne J. Benjamin, R. D. 2 and Glendon F. Dowd, 40, R.D. 3, both Lisbon, \$10 and costs each for speeding.

## Deaths and Funerals

### Ex-Resident Claimed At 72

Mrs. Margaret M. Gamble, a former East Liverpool resident and a native of Shippingport, died Friday at 1:10 p.m. at the Manor Valley Nursing Home in New Philadelphia, following a week's illness. She was 72.

Mrs. Gamble had resided in 1961 with a daughter, Mrs. Elden Davis, of Yeager Dr. She was born April 19, 1892, in Shippingport to the late David Goodlin and Jennie Andrews Goodlin. She spent most of her life in this vicinity and was a member of Longs Run United Presbyterian Church. Her husband, Edward (Pete) Gamble, died April 12, 1942.

She is survived by another daughter, Mrs. Clyde Johnston of East Liverpool; two sons, Elmer Wright and Raymond Gamble, both of Grims Bridge; four brothers, Albert Goodlin of Hookstown, Dennis Goodlin of Shippingport, Harlen Goodlin of Chester and Thomas Goodlin of Wampum, and seven grandchildren and six great-grandchildren.

parole eligibility after 10 years as the maximum sentence for treason against the state.

Present parole regulations permit parole consideration after 10 years under a life sentence.

A substitute anti-gambling bill was scheduled to be offered to the Senate Judiciary Committee today by two Northern Panhandle senators.

Minority Leader John E. Carrigan, R-Marshall, and Sen. Chester R. Hubbard, R-Ohio, said they drafted the bill in response to Gov. Hulett Smith's request that the subject be examined.

The bill, among other things, would make it illegal to possess slot machines and multi-coin pin ball machines.

## 4 Require Treatment After Minor Mishaps

Four persons injured in minor mishaps were treated Friday at City Hospital.

William Raymond Oliver, 15, son of Raymond Oliver of Oak St., sprained his right ankle playing basketball.

Delmar Wildman of 45-B, Midland Heights, Midland, cut his nose and eye when he ran into a wire line in the yard at home.

Bradley Cronin, 2, son of Charles Cronin of S. Surry Rd., Fisher Park, suffered contusions of the left forehead in a fall from a chair at home.

Charles Phillips, 10, son of Mrs. Maxine Phillips, 1833 1/2 Watson St., suffered a possible fracture of the left arm in a fall on steps at home.

## Fire Hits Warehouse

HAMILTON, Ohio (AP)—The damage caused by a fire in the Sherman Paper Co. warehouse was undetermined after firemen from four companies were sent Friday night to put out a smoldering fire among bales of paper.

Firemen Bob Short and Melvin Hingsberger received minor injuries fighting the fire whose cause was not known.

## Fire

(Continued from Page 1)

flames were shooting 25 to 30 feet into the air. The entire house was engulfed in flames, which were coming out of the entire upper story of the two-story frame, Lewis said.

Firemen fought the blaze for about an hour and a half before bringing it under control and then spent about four and a half hours cleaning out the debris.

Lewis said the seven rooms in the home were literally loaded with old newspapers, furniture, clothing, wood and other miscellaneous items.

The closest home is about 25 feet away, but was not endangered.

Lewis said it was "treacherous work." The ladder rungs froze solid with ice and a solid sheet of ice formed around the entire home as firemen poured water into the flames.

It was unsafe to put men inside when the department first arrived because of the extent of the burning. The front half of the roof already had caved in and the floors were burning badly, Lewis said.

Once the fire was brought under control, the men began the hard task of throwing out the stacks of burning debris to be wetted down on the outside. This took a long time, Lewis said.

Hopkins, who lives alone, indicated to firemen that the fire started from a gas heating stove. He said he had attempted to put it out himself, but was forced outside by the smoke and flames.

Lewis said the entire home was gutted. What remains will have to be torn down, Lewis commented. No estimate was made of the damage.

Fourteen men worked on the

fire at different times. The volunteers were relieved as others arrived on the scene. All the regular men, Assistant Chief Robert Lloyd, Frank Fusco and William Haugh, were called out.

COLUMBUS, Ohio (AP)—Capitol Cablevision of Columbus has asked the city of Columbus for permission to operate a community antenna television (CATV) system.

Principals of Capitol Cablevision are RadioOhio Inc. (WBNS) and Cox Cablevision Corp., a wholly owned subsidiary of Cox Broadcasting Co.

LIGHT-HEARTED LIVING

The ideal furniture arrangement is one that blends so harmoniously with the structural features that it is hard to believe that the room was not purposefully designed for it. Good arrangements are always planned in advance, and are influenced by various factors: the activities that will be carried on in the room, the size and shape of the area, your own particular style preferences, and perhaps the most important of all—the overall spirit you wish your plan to embody. Of these, style and overall spirit are the most closely related.

There is a lilt of gaiety running through the rhythmic lines and gentle curves of French Provincial furniture—both court and country styles—that imparts a feeling and warmth wherever it is used.

In the grouping sketched above the desk has been angled to the wide window to take full advantage of the light, and the desk chair can be easily swung around to become part of the conversation group when needed.

Color scheme of pale creamy gold and soft French blue echoes the gay spirit of the furniture. Wall-to-wall carpet in a deeper shade of blue is eminently practical and contributes immeasurably to the decorative scheme.

Strength, durability and beauty are inherent qualities of every nylon carpet (or rug) we offer you. No pilling, fuzzing or shedding problems. Moths and mildew will never be a bother. Wide color range. Continuous filament nylon carpeting only \$6.95 sq. yd.

We are proud to offer you our new French Provincial furnishings for every room in your home. Soft, subtle finishes that will blend with your existing pieces. Each piece has been carefully chosen with an eye to quality, beauty and value. Come in soon.

## Get Out The Dust Cloth

Ohio Sen. Jim Thorpe, R-Stark, has made a good proposal about a good idea. He wants to organize an official movement to do something about the dust that is settling on the recommendations of the Little Hoover Commission. He points out that the commission was a good thing, that the studies produced many good ideas and that these should be reviewed with a view to putting through a legislative program in this session of the General Assembly.

He proposes that this be done by the Legislative Service Commission, which is the General Assembly's fact-finding commission.

A better proposal would be to have it done by the Rhodes administration, which backed the Little Hoover Commission in the first place and used its studies of Ohio government to help create an image of businesslike administration.

THAT WAS THE commission's elemental purpose — to convince Ohioans that the Rhodes administration was business-minded and had called on business people to show it how the state government could save money. The Ohio Manufacturers Association sponsored the project.

It would be an excellent move at this juncture to report to Ohioans what the Rhodes administration has accomplished in this direction so far. No one doubts there have been accomplishments. But might there be more if the reports were reviewed in an interior report?

There is no clear idea throughout Ohio how much of the work of the 58 people who served on the Little Hoover Commission has been given a chance to prove itself.

Some of the recommendations did not

work out in practice. For example, the proposal to abolish the state library was rejected out of hand. Centralized purchasing of school buses has not been a satisfactory reform. Personnel cutbacks, which became a lively issue at the outset of the Rhodes administration, could stand some further discussion at present.

THE HISTORY of reports like the one made by the Little Hoover Commission is not reassuring.

Many years ago, Ohio had another businessman report on the reorganization of its government — the Sherrill Report, made during the administration of Gov. Martin L. Davey.

The dust on the Sherrill Report must be six inches deep by this time. How about dusting off the Little Hoover Commission's report while its authors are still around to remember what it was all about?

## Business Women

National Business Women's Week is under way, with varied activities planned to emphasize the part women play in the every-day world of business.

In a proclamation, Mayor Merrill Hall pointed to their achievements in contributing to the economic and cultural growth.

Women are firmly entrenched in virtually every major endeavor — and they're doing a commendable job in most cases.

More power to them! They have proven time and again to be a most helpful and welcome addition to the business world — and to any other world for that matter.

## Two Issues Of Segregation

The U.S. Supreme Court has made no objection to an appeals court decision upholding de facto school segregation, or having that effect.

This will invite every practicing and would-be segregationist to scratch into the possibility of lining up the letter of the law on the side of his prejudice. The same thing happens every time the appearance of legal sanction is given to some disputed practice.

It is against the law to cause segregation by a deliberate act. That has been established beyond any question. Deliberate separation of school pupils by race has been declared unconstitutional. The principle has been accepted in all enlightened states.

But this, itself, has been carried forward into a claim that it also is against the law if segregation is caused by other than a deliberate act—de facto segregation. In this line of reasoning, Negro parents have agitated for and obtained integration in some of the larger cities even transporting white pupils into Negro districts. They have claimed they have a related right to go to schools outside their natural school districts.

No other way exists in larger cities to break up de facto segregation in congested areas where schools necessarily reflect the composition of the neighborhoods they serve. But must de facto segregation be broken up at the expense of breaking up traditional school districts.

## The End Of The Story

Publication of a Federal Bureau of Investigation report this week closes the book on the Senate Rules Committee inquiry into the Bobby Baker case. Democratic and Republican members of the committee agree on this point.

All that remains in doubt is whether the FBI report may result in grand jury indictments for perjury against the principal subject of the report—Don B. Reynolds.

In essence, the FBI report said that with no cooperation from Mr. Reynolds, who came into the Baker inquiry as an insurance business associate of the one-time secretary to the Democratic majority in the Senate, it had failed to find any truth in secret testimony by Mr. Reynolds given before the committee last Dec. 1.

The effect of the report, taken in conjunction with Mr. Reynolds' other experiences under investigative scrutiny, is to discredit a key witness in the Senate investigation so completely that he, himself, may now become a subject of inquiry.

## Cotton Corners

Dear Nephew: Before we wild Indians of my generation left the reservation, to make our way in the world, we used to stage war parties.

Looking back on them, I must say we did quite a job, considering that we lacked modern equipment.

We didn't have any U.S. senators whooping up things for us, the way they do in behalf of official war parties.

We couldn't transplant our project to some distant point like Southeast Asia. We were homegrown. We had to put on our paint and feathers at home, do our dancing by our own moonlight and bleed on our own soil.

We wild Indians of yesteryear were a more responsible breed than today's wild Indians. After we went through that tooth-grinding bit with Teddy Roosevelt, we never did feel right about war again.

When we had the impulse to go on a rampage, we took second thought and used up our excess energy and obsolescent

equipment in something safer. We had learned that it's easy to get a war party organized, to get one disbanded.

The whooping and hollering gets into your blood. Pretty soon everybody is whooping and hollering and itching to take the warpath.

Emotionalism crowds out logic and common sense. Mass hysteria sets in and no one is accountable for his actions. Then the spasm is over and everybody returns to his senses.

As sure as I once was a wild Indian, myself, we are whooping up a war party in the good old U.S.A. right now. The fires have been lit. The big chiefs have donned their feathered head-dresses and are making deep noises.

You aren't supposed to know what's going on. It's enough for you to know the country is at war somewhere, somehow and for some reason no one is too clear about. But the chiefs understand, we hope, we hope, we hope.

## A Bystander Always Seems To Get It Too

## A Report On Tax-Exempt Foundations

By Raymond Moley

The U.S. Treasury recently presented a comprehensive report on tax-exempt foundations to the Senate Finance and the House Ways and Means Committees.

This report, which had been in the making for more than a year, made a number of specific recommendations for new legislation directed for the most part at the financial structures and methods of fiscal operation of the foundations.

The report does not touch upon the equally controversial question of what their income is spent for. That subject is already covered by law and the many directives of the Internal Revenue service.

NO DOUBT, the Treasury report was prepared because of the proddings of Rep. Wright Patman, D-Texas, whose Select Small Business subcommittee on Foundations has been studying the subject since 1961 and has made several reports.

The Treasury report estimates that in 1962 there were 14,000 private foundations. The total assets of these amounted to \$16.3 billion, and two-thirds of this wealth was owned by the largest 175 of the foundations.

The complaint in Rep. Patman's reports embodies an element of justice. He points out that many of these foundations either own or control commercial businesses. And thus they enjoy competitive advantages over other businesses in the same lines.

THE MOST IMPORTANT of the Treasury's recommendations is that Congress should prohibit by law any foundation from owning, either directly or through stock holdings, 20 per cent or more of a business.

The Treasury arrived at the 20 per cent figure because it believed that any percentage of ownership from 20 per cent upward would permit the foundation effectively to control the business.

An important reason for such a limitation is that a foundation-controlled business has important tax advantages over competitors.

Another reason that is just as important is that the directors and managers of a foundation are selected for quite different reasons than are the directors

and managers of a business enterprise. The purposes of a foundation are quite unlike those of a business.

Education, and in its broadest sense charity are the purposes of a foundation. Properly directed, its function is to spend money for sound and useful social ends. On its board of directors there are usually educators, scientists, social workers, and, if its purpose has to do with medicine and health, doctors.

There are also businessmen on boards but they are there to supply wise lay opinion.

A BUSINESS concern is designed to operate for some useful purpose and make a profit for owners and stock holders. Its directors and managers are chosen because of their business experience.

Many foundations have already divested themselves of business which they wholly or substantially owned when they were created. Moreover, the Treasury, even without this sort of new legislation, has put pressure on many foundations to give up control of businesses.

Rep. Patman, while favoring the reforms proposed by the Treasury, is not happy. He believes that the reforms do not go far enough. He favors putting the limit of ownership in any business at 3 per cent. And he wants the life of all foundations to be limited to 25 years.

The latter limitation, rejected by the Treasury, is wholly without merit. Under wise management, and with sound objectives, there is no good reason why a foundation should not live in perpetuity. We shall always have need to support education.

AND SO FAR as research is concerned, there are no limits to its usefulness. Despite the Johnson war on poverty, charitable activities will always be useful in a world of mortal and imperfect individuals.

In many areas of human endeavor foundations can never be supplanted by government action. Indeed, one of the most valuable contributions of foundations is to keep at least a large proportion of welfare and education in private hands.

## Down Through The Years

From The Review Files

THIRTY YEARS AGO — The Rev. George W. Kiehl was installed as pastor of the Newell Presbyterian Church.

Leon Mertz, Marvin J. Hall, E. L. Savage, James Turner and C. W. Coffee were welcomed as new members of the Wells-ville Kiwanis Club.

TWENTY YEARS AGO — Robert S. Wheatley of Salineville resigned as East Liverpool city engineer.

The Lincoln Home and School Association contributed \$100 to the fund for an electric organ for the new Memorial Auditorium.

Twenty-five families evacuated their homes in the lower section of Smiths Ferry as the Ohio River passed flood stage.

TEN YEARS AGO — The Columbiana County Health Advisory Council approved a budget of \$49,160.

A special school milk program, in which pupils could buy a half - pint daily for three

cents, was approved by the Board of Education.

Richard McDevitt, procurement chairman, reported purchase of a new siren at a meeting of the Calcutta Volunteer Fire Department.

## People In News

NEW YORK (AP) — The Rev. Dr. Norman Vincent Peale was elected president of the 1,700-church Protestant Council of the City of New York Friday, despite some criticism that he has been silent on civil rights issues.

The protest against Dr. Peale, author of "The Power of Positive Thinking," came from a small group of clergymen and laymen.

William Stringfellow, an attorney and Episcopal layman, charged Dr. Peale had been "consistently silent about the racial crisis while so often appealing the complacencies of white Anglo-Saxon Protestants."

In his acceptance speech, Dr. Peale said he hopes the council will "continue to expand its effort in behalf of the stamping out of racial discrimination in New York City in every form."

LOS ANGELES (AP) — The widow of singer Sam Cooke was married Friday to guitarist Bobby Womack.

Barbara C. Cooke, 29, mother of two daughters, Linda, 11, and Tracey, 4, had to wait until Womack reached 21 Thursday before obtaining a marriage license.

Cooke, 32, was killed three months ago by a motel manager, who later was cleared of any blame.

BONN, Germany (AP)—Gen. Paul L. Freeman was awarded one of West Germany's highest decorations Friday as he left as commander in chief of the U.S. Army in Europe.

Freeman was presented with the Grand Cross of Merit with star and shoulder strap. He is returning to Ft. Monroe, Va., to take over command of the U.S. Continental Army. His successor is Gen. Andrew P. O'Meara, former head of the U.S. Southern Command.

## Questionable Tactics

By David Lawrence

### Crusading Judges' Actions Assailed

Crusading judges who enter the court of public opinion to argue issues which they themselves may have to pass upon judicially in certain respects some day are probably few in number, but activities of this kind recently have occasioned much surprise.

David Lawrence

Thus, Justice William O. Douglas, of the Supreme Court of the United States, is quoted in a dispatch from Seattle, Wash., as having said that he favors the admission of Communist China to the United Nations and the demilitarization of Nationalist China. The courts here might have to pass any day on cases involving the right of American citizens to get passports to travel in Communist China.

The whole subject of relations with Red China is one over which many people become emotionally aroused whenever it's suggested that the Red China government should be forgiven its acts of aggression.

It's the Peking regime which is today supplying arms to help kill Americans in South Viet Nam, and only a few years ago the Red Chinese sent their army into Korea and killed more than 54,000 Americans and wounded more than 103,000, as well as tens of thousands of other men in the United Nations forces.

ANOTHER EXAMPLE of the entry of a federal judge into the field of a public debate was afforded a few days ago when Judge J. Skelly Wright, of the U.S. Court of Appeals for the District of Columbia, made an address at the Law School of New York University. He argued at length against the continuance of racial imbalance in the schools, as he declared:

"It's inconceivable that the Supreme Court will long sit idly by watching Negro children crowded into inferior slum schools while the whites flee to the suburbs to place their children in vastly superior, predominantly white schools."

Few subjects are as bitterly discussed today as the problem

of racial imbalance in the schools. The Supreme Court of the United States only this week declined to rule on a decision rendered by the Tenth Circuit Court of Appeals upholding systems of racial imbalance in the schools.

This is the third ruling of this kind which the high court has refused to disturb but Judge Wright predicts that the Supreme Court "will take a harder look at 'de facto' segregation and will be less inclined to accept the suggestion that the state and its agencies are not, in some degree at least, responsible for it and helpless to correct it."

MR. WRIGHT'S speech is the most comprehensive legal argument that has been made thus far denouncing racial imbalance in the schools. He contends that in most cases it is unconstitutional, and feels that states may not only take the necessary steps to relieve what he calls "adventitious" segregation, but in so doing may consider race. He says:

"In short, since segregation in public schools and unequal educational opportunity are two sides of the same coin, the state, in order to provide equal educational opportunity, has the affirmative constitutional obligation to eliminate segregation, however it arises."

Judge Wright feels that the courts can penetrate issues which have hitherto been considered political, as has happened in reapportionment cases.

In certain respects he has made a persuasive presentation. The real question is whether any federal judge should make this type of argument in a public speech when he might at some future time have cases of the same kind submitted to him in an actual court proceeding.

Conscientious and disinterested though the justices may be, it's precisely this type of occurrence which leads to misunderstandings and encourages "extremist" groups to contend that the Supreme Court and the judicial system today are dominated by political philosophy rather than a judicial attitude of impartiality.

## Letters To The Editor

EDITOR OF THE REVIEW:

I realize I probably am making a few mistakes in dashing off a 30-minute letter to criticize the very informative proclamation by our local dental society.

I cannot be as well informed as they can be; it is not a field that I have conscientiously studied. My criticism is mostly that the information was one-sided. I think a few points of the other side ought to be presented.

1. — Fluorine and all its metal salts are very poisonous. It is in fact used as rat and insect poison and is equally poisonous to man. That the dose is small is true, but small doses of arsenic, though they bring some improvement in the body and help disease resistance, in the long run prove undesirable because of side effects. There is some opinion that fluoride toxicity shows up only after 20 to 40 years.

2. — Beyond a doubt, it is compulsory medication.

3. — Teeth become brittle, more easily broken.

4. — Fluorine and its ions are very corrosive to all common metal plumbing and pumps and to metals in sewage systems, too. This corrosion often results in more maintenance.

5. — Watering the family vegetable garden with such water will increase the fluoride in the soil and in the vegetables and so more will find its way to the table.

6. — Of the approximate 50 gallons per day that a person uses in one way or another only about two quarts are ingested or used in cooking.

7. — On persons over 12 years old it is very likely that it has no beneficial effect at all.

8. — According to a Russian scientific periodical, Voprosy Pitaniya, (22.1,p.32,1963) Vitamin C in large doses affords protection against fluorides bad effect. It is possible that a bare minimum of Vitamin C may be reduced to below minimum by fluoride and thus cause deficiency.

9. — The expense of fluoridating water is always very much underestimated. Washington, D.C., spent \$130,000 a year on fluoridation, with \$27.82 worth going to the children under 12.

10. — The Beechnut Packing Co. spent \$15,000 on machinery to remove fluoride from the water to be used in its products.

11. — In Wilmington, Mass., fluoridation was voted out after seven years because of frequent breakdown of equipment and fluctuation of concentration near the danger level.

12. — The health of the human fetus is very easily affected

and this would be true if every doctor, the president and even 50 angels said that fluoride arsenic strontium and thallium were okay for pregnant mothers.

13. — The mere fact that some waters in nature have fluoride is not an indication that this is desirable. Perhaps it is an indication that the water needs further purification.

14. — Fluoridated toothpaste is considered dangerous for little children, if you draw conclusions from the printing on the tube.

15. — It is entirely possible that the dental profession is dragging its heels in finding a preventive, non-poisonous diet in place of the "something for nothing" that fluoride falsely promises.

You don't get something for nothing and fluoridization may well prove a bigger swindle than the tables in Reno, Nev.

EDITOR OF THE REVIEW:

To the good people of East Liverpool: It seems most of you have given up and quit voting.

I have heard so many say what is the use to vote. We voted the city income tax out several times.

Our Council is getting smarter though. They set an expiring date the last time. They think they have it in the bag now. Let's keep one eye on them. To me it is just like them putting their hands in my pocket. So don't be surprised to see my name among Mr. Wilkinson's tax collectors' list. He was pretty determined to see my wage slip from Crucible last year. I won't as much as tell him I got one this year. It is none of his business, and will prove it in court.

I will vote against every one that took part in putting that tax on us as long as I can see their names on the ballot.

## 2nd Annual Event

## Pittsburgher To Speak At 'Prayer Breakfast'

Arrangements are under way for the second annual "Mayor's Prayer Breakfast" March 20 at 7 a. m. in the cafeteria of St. Aloysius Parochial School.

C. Leroy Hacker, pastor of the Shiloh Community Baptist Church of Pittsburgh, will be guest speaker.

William Smith again is serving as general chairman of the event, which is modeled after the "President's Prayer Breakfast" at Washington during which representatives of various political parties and religious faiths meet to express thanks for the American form of government.

Smith said members of the East Liverpool Ministerial Association, all city officials and trustees from Liverpool and St. Clair townships are among those invited to attend.

Reservations may be made by phoning 385-1490.

Hacker, who was born in Melrose, Fla., has a varied background in religion and education.

He is founder and chairman of the board of Operation Progress, a self-help program for the Negro community of Pittsburgh and is in frequent demand as a speaker and consultant in the field of race relations and education.

He was at one time assistant to the publisher of the Negro newspaper the Pittsburgh Courier.

He has served as professor of Social Science at Bethune-Cookman College, Daytona Beach, Fla.; professor of Religious Education at Wilberforce University, Wilberforce, Ohio; pastor of the Second Baptist Church at Springfield, Ohio, for seven years; director of public affairs and newscaster at radio station WAMO, Pittsburgh.

C. LEROY HACKER Will Appear Here March 20.

While in his present position as pastor of the Shiloh church, he was instrumental in merging two Baptist churches, both with pastors — a first for Negro Baptist churches in Pennsylvania.

Hacker is a graduate of the Command General Staff War College, Ft. Leavenworth, Kan., and served as a personnel officer at the Wright Patterson Air Force Base, Dayton.

He was graduated from St. Augustine High School, Florida; has an A.B. degree from Benedict College, Columbia, S.C.; a B.D. degree from Howard University, Washington; S.T.M., Oberlin College, and residential requirements for a Ph.D. at Drew University, Madison, N.J.

The Altar and Rosary Society of St. Aloysius Catholic Church will serve the breakfast.

## Events Set In Churches Of District

Mr. and Mrs. Eric Allison of Chester and daughters, Dianne, Renee and Paula, will furnish special music at services Sunday night at 7:30 in the Wells-ville Church of the Nazarene.

A special song by the "Newell Harmonaires" will be presented at Sunday School services tomorrow at 9:30 a. m. at the Newell First Church of the Nazarene, according to Charles Glendinning, superintendent. The Rev. R. W. Fowler is pastor.

The choir from the Youth Forester Camp of Racoon Creek State Park will sing at the Seventh-Day Adventist Church for the service Sunday at 7:25 p. m. The choir consists of 23 voices. It is open to the public.

Mrs. Alie Porter of Wheeling will be the worker for services Sunday and Monday at 7:30 p. m. at the First Spiritualist Church.

## Bishop Names Fr. Burdis For Midland Church

Fr. Stephen J. Burdis, former pastor of the Holy Family Catholic Church in Creighton, Pa., will assume his duties as pastor of the Presentation of the Blessed Virgin Mary Catholic Church in Midland, Monday. He was appointed to his new charge by Bishop John J. Wright of the Pittsburgh Diocese.

Fr. Burdis succeeds Fr. Francis E. Paul, who died Feb. 21. Fr. John Sabovik will continue as assistant pastor.

A native of Carnegie, Fr. Burdis served as pastor of the Creighton charge since 1949. He was graduated from Duquesne University and St. Vincent College in Latrobe. He was an assistant pastor of St. Mary of Mercy Church at The Point in Pittsburgh from 1936-40. He also served as chaplain of Mercy Hospital in Pittsburgh from 1940-49.

Fr. Burdis will be succeeded at Creighton by Fr. J. F. Regis Ragan, who has been pastor of St. Rose at Darlington and its mission, St. Ann at New Galilee, both near East Palestine.

St. Rose and St. Ann will be served by Fr. Charles B. Roach, who has been assistant at St. Peter's in South Side, Pittsburgh. All the assignments are effective Monday.

## West Liberty Chosen For Lutheran 'School'

West Liberty State College has been selected for the annual Western Pennsylvania - West Virginia Lutheran Leadership School scheduled for Aug. 15-20, President Paul N. Elbin announced.

The school, previously held at a Lutheran college, is under the supervision of the Rev. Donald D. Anderson, assistant for camping and youth activities for the Western Pennsylvania-West Virginia Synod of Lutheran Churches in America.

Anderson said 40 to 50 senior high school students and about 10 adult leaders will participate. The area covered by the synod extends from Erie on the north to Bluefield, W. Va., on the south.

## City Priest Appointed To Liturgical Group

The Rev. William J. Lawler, pastor of St. Aloysius Catholic Church, is one of five new priests appointed to the Liturgical Commission of the Youngstown Diocese by Bishop Emmett M. Walsh.

Four Catholic laymen and two nuns also were appointed to the commission, which studies developments in the liturgical renewal and its progress in the diocese, making reports and recommendations to Bishop Walsh.

The longest palindromes in the English language (words which read the same backward as forward) are the seven-letter words, "deified," "reviver," and "rotator."

REV. PAUL FROMAN For Calvary-First Series.

## City Methodist Series To Hear Guest Minister

The Rev. Paul Froman, pastor of the Damascus Methodist Church, will be a guest preacher during a Lenten series at the Calvary and First Methodist Churches, the first to be held at the Calvary church this Sunday evening at 7:30. The theme is "What Are You Taking for Lent?"

Five services will follow on consecutive Sunday evenings during Lent, with Rev. Ray Butler, pastor of the Cadiz church, sharing the preaching.

Rev. Froman was born and reared in Youngstown. He graduated from South High School in 1949 and from Baldwin-Wallace College in 1953. He received a Rotary scholarship and was a Rotary Fellow at the University of Heidelberg, Germany, for a year.

Following two years in the armed services, Rev. Froman enrolled at Drew University School of Theology, Madison, N. J., and upon graduation returned to the University of Heidelberg to pursue studies toward a doctorate in Old Testament Theology.

Rev. Froman has served the Damascus Church since the summer of 1962. The Rev. Irwin Jennings is pastor of the Calvary church, and Rev. John Clark of the First church.

## Reports Slated For Presbytery

Committee reports will be presented at a meeting of the Steubenville Presbytery Tuesday at the Two Ridges United Presbyterian Church near Steubenville. The session will begin at 10 a. m. with lunch at noon and resumption of business at 1 p. m. Laten Carter will report on the Westminster Foundation in the forenoon and John Bretell will report on the Cleveland National Council meeting.

The church is on Route 43 eight miles northwest of Steubenville.

## Baptism Will Follow Sunday School Hour

Baptism will follow Sunday School tomorrow at the Second Baptist Church.

Holy Communion will be administered by the minister, the Rev. R. L. Southall, assisted by the Board of Deacons at the 11 a. m. worship. Preaching and selections by the Senior Choir directed by James Martin will highlight the 7:30 p. m. worship.

## Clarkson, Waterford Plan Joint Services

Lenten vespers services for the Clarkson and New Waterford United Presbyterian Churches will be held Sunday night at 7:30 at the New Waterford church by the Rev. Robert Moore.

The trustees will meet Monday night at 7:30, and the Session will meet Thursday night at 7:30.

Solomon (Proverbs 22:1) said "A good name is rather to be chosen than great riches."

## Lent Series Leaders Set By Ministers

The East Liverpool Ministerial Association has named leaders for the four remaining community Lenten services which will be held each Thursday at the First Methodist Church.

The Rev. Gene Toot, associate minister of the Trinity United Presbyterian Church, will be leader at next week's service. The other services and the leaders are: March 18, the Rev. Royal Southall of the Second Baptist Church; April 1, the Rev. John Stilts of the Orchard Grove Methodist Church, and April 8, the Rev. Claude Schlosser of the First Church of the Nazarene.

The services will open at 12:30 and close at 12:55. Lunches will be served from 11:45 a. m. to 12:30 and from 1 to 1:30.

The association also announced that the downtown Easter sunrise service will be held at 6 a. m. at the First Church of the Nazarene. Plans were announced previously for the East End sunrise service at the Second Baptist Church.

## Christian Unity Sessions Slated

A Christian Unity convocation for all laymen and clergy of the Steubenville area will be held at the Steubenville Community Arena Sunday evening, March 21, at 7:30, sponsored by the Ecumenical Institute of the Steubenville area, which consists of 12 representatives of different Christian faiths.

The program is designed for participation by lay members of all Christian churches in the area, and addresses will be given by Catholic, Protestant and Orthodox spokesmen for the perspectives for unity. There will be community hymn singing between the addresses.

The Ecumenical Institute of the Steubenville area is completing its second year. It meets monthly in the rooms of the various groups represented. These sessions have centered on two general discussion topics: "The Nature of the Church" and "The Nature of Sin." Each month one member of the group presents a paper for discussion on a subtopic. The points of agreement and disagreement are shown in an informal free exchange of ideas.

Members of the Institute have published their conclusions that religious people can live together, work together and love one another in the spirit of Christ, while being aware of and respecting each other's convictions.

## Stewardship Session Slated At Clarksburg

The West Virginia Interpretation and Stewardship meeting will be held at the First United Presbyterian Church of Clarksburg Monday and Tuesday, the Rev. Grant Lowe, minister of the First church in New Cumberland, announced today.

Monday's session will begin at 1 p. m., and Tuesday's at 3:45 p. m. Representatives from all United Presbyterian Churches in West Virginia will attend.

John Coventry Smith, secretary of the Commission on Ecumenical Missions and Relations, will be speaker. The commission is responsible for the work of the denomination outside the United States. The purpose of the meeting is to acquaint members of the churches with the work of the church in foreign countries.

## Patrol Aide Promoted

Ohio Highway Patrol Lt. Clarence Shambaugh of the Warren District headquarters has been promoted to captain and will be transferred to Columbus to take command of Columbus communications and records. He succeeds William C. Smith, who was promoted to major, Col. Anson B. Cook, Patrol superintendent announced at Columbus.

## Camp Fire Girls To Conduct 'Sharing Ideas Workshop'

Final details have been announced for the "Sharing Your Ideas Workshop" to be conducted for Columbiana County Camp Fire Girls Wednesday at the Memorial Building at Salem.

Miss Harriet Dively of Grand Rapids, Mich., Region IX director of Camp Fire Girls, Inc., will supervise activities from 9:30 A.M. to 3:30 P.M.

The program will get underway with songs and games of the get-acquainted variety. Mrs. Barbara Zeigler of Salem will be song leader.

The East Liverpool Area Council will present a discussion on "The Annual Project-Think Big-Widen Your World." Miss Dively will serve as moderator.

The workshop is designed to assist group leaders, assistants and Executive Board members in learning more about the Camp Fire Girls program. Attendance will include councils from East Palestine, New Waterford, Hanoverton, Lisbon, Columbiana, East Liverpool and Salem.

Each leader attending is asked to present a two-or three-minute report on one activity of her group which has been the most successful.

The board, committee and staff members will participate in sketches on "How We Are Organized to Serve" and "New Flip Chart on Group Organization."

The content of the program will be geared to the Camp Fire and Junior Hi leaders, and Blue Bird leaders, whose girls will be flying - up to the Camp Fire Girls program in the fall. Horizon Club leaders, who feel the need of basic Camp Fire Girls program, will also find it equally helpful, sponsors said.

Miss Dively will moderate the session to be presented by the East Palestine Council on "Symbolism in the Camp Fire Girls Program."

A ceremonial will be conducted by the Salem Council. The closing part of the program will include a summary when Miss Dively will handle the question-and-answer period.

## PTA Federation Discusses Individual Units' Programs

Programs of individual Parent-Teacher Associations were discussed at a meeting of the City PTA Federation Thursday evening in the Westgate library.

LaCroft PTA was mentioned as an example of an organization making rapid growth. Mrs. Janet Poole, representative of the LaCroft PTA, read samples from the minutes of the meetings and summarized the year's program.

It was suggested that executive groups from the PTA's of schools which will be combined when new buildings are completed should meet to discuss future organization.

John Parsons, president, presided and announced that the following members would serve on the nominating committee to select officers for next year:

Mrs. Thomas Scott, Mrs. William Hathorn, Mrs. William Sutherland and Parsons. New officers will be installed at the closing meeting in April.

Mrs. Kenneth Galas, program chairman, introduced Miss Nell Robinson, City Hospital super-

intendent, who spoke on "The Hospital and the Community." She discussed development of the hospital from its beginnings in the 90's to the present.

Miss Robinson elaborated on the co-operation which exists between hospital and community and schools. She said the hospital is "a gold-mine of opportunity" for our youth in such diverse fields as nursing, dietetics, medical technology, X-ray technology, and many other job classifications.

Mrs. Marie Graham, principal of Taft and Lincoln schools, announced that the East Liverpool Teachers Association is sponsoring a conference on the new mathematics methods and an exhibit of materials April 12-13 at Westgate.

Supt. Paul Blair gave a program report on the new buildings and answered questions. Secretary and treasurer reports were heard. Attendance honors went to LaCroft School. Next meeting will be held April 1, with Rev. H. Gene Toot speaker.

## 4-H News

The Churchill Chippers 4-H Club of Elkton met Monday night with Mrs. Ralph Moore of the Lisbon-Signal Rd.

Ida Exline gave a talk on etiquette. The next meeting will be held March 15.

The richest gold mine in the U. S. is at Lead, S. D.

## Car-Truck Collision

**Kills Ohio Woman, 54**  
HILLSBORO, Ohio (AP)—An auto-truck collision on U. S. 50 near her Rainsboro home has taken the life of Mrs. John E. McCoy, 54.

Mrs. McCoy was riding with Carnes, 25, when their car collided with the truck driven by James Hudson, 44, New Vienna. The Highway Patrol cited Hudson for driving on the wrong side of the road.

The world's first postage stamp was issued by Great Britain in 1840.

## Area Catholics Begin New Changes For Mass Sunday

Catholics in the Youngstown Diocese and throughout the United States will witness new changes in the Mass beginning Sunday.

The revisions to be adopted on the first Sunday of Lent concern the structure of Mass rather

than the use of English and evolve from Vatican Council II. Most noticeable changes include:

## Catholics Allowed Meat In Air Travel

Catholics who travel on any one of the 43 U.S. airlines associated with the Air Transport Association are permitted to eat meat on Fridays and other days of abstinence, according to a dispensation granted by the Holy See.

Archbishop Patrick A. O'Boyle of Washington applied for the dispensation at the request of officials of the Air Transport Association headquarters in Washington.

Shortening of the prayers at the beginning of Mass and elimination of Ps. 42 ("Judge me, O God");

Elimination of the Last Gospel and prayers after Mass so that Mass will end with the final blessing;

Provision for a new "prayer of the people" to be said after the Creed and before the Offertory. The prayer will include a series of petitions to God for the needs of the world and will encompass prayers for the sick and dead of the parish, which are now said during the sermon time.

Coinciding with these changes, Bishop Emmet M. Walsh issued a directive to all diocesan priests on the use of English at High Mass. Last Dec. 18, the Bishop gave permission for English High Mass "provided there is community participation in singing of the ordinary parts of the Mass."

In the new directive, Bishop Walsh specified approved music and also noted that any English High Mass composed by a parish musician of the Youngstown Diocese may also be used, with approval of the bishop.

Parts of the High Mass to be sung by the congregation in English include the Kyrie, the Gloria, the Nicene Creed, responses to the prayer of the faithful, the Sanctus, the Lord's prayer and the Agnus Dei.

Choirs still are encouraged to sing the Proper of the Mass, including such prayers as the Introit, the Gradual, Alleluia or Tract, the Offertory verse, and the Communion verse.

The priest who celebrates the Mass may sing with the congregation, however, he will omit those prayers which are sung by the choir.

Other changes specified include the priest's recitation or chanting aloud in Latin three of

## Jehovah's Witnesses Set Circuit Assembly

"Willingly Fulfill Your Ministry" will be the theme of the semi-annual circuit assembly of the Jehovah's Witnesses March 19-21 at East Palestine High School.

Emerson Booth, local presiding minister, said all members of the local congregation are planning to attend.

All sessions are open to the public. "Fulfilling their ministry" is no idle phrase to Jehovah's Witnesses, Booth said, pointing out members attend five different meetings weekly, each for one hour, and spend 10 hours a month in the field ministry.

## Stratton Nazarenes Set Music Program

A special musical program will be presented Sunday afternoon at 2:30 in the Stratton Church of the Nazarene.

It will mark the dedication of the new organ and piano purchased by the church.

Various other congregations have been invited to participate in the public service. The Rev. Stephen W. Bender is pastor.

## Students To Hear Michigan Group Of Bell Ringers

The Spartan Bell Ringers of Michigan State University will present a performance for East Liverpool High School students Friday morning, March 26.

Directing the 10-member group, which offers a fascinating form of musical entertainment on English handbells, will be Wendell Westcott, MSU carillonneur and member of the Department of Music.

During the performance, each player controls, through deft manipulation, from 4 to as many as 13 bells, with a total of 49 bells being played by the group. The effect is visually, as well as musically, entertaining, sponsors said.

The repertoire of the unusual group includes classical arrangements, folk songs, popular music, novelty numbers, original works for handbells and jazz.

Among the selections to be featured during the current season are "The Harmonious Blacksmith," "Dance of the Sugar Plum Fairy," the brilliant "Minute Waltz" by Chopin, a Swiss folk song — "Hol-di-ri-dia," "In a Swiss Clock Shop" by Westcott and the rousing "Stars and Stripes Forever."

Organized in the fall of 1954 by Westcott, the Bell Ringers is one of 19 student and faculty groups performing under the auspices of the MSU Cap and Gown Series, a university cultural and educational service.

## Shippingport Women Name 3 On Committee

A three-member nominating committee was named when the WSCS of the Green Valley Methodist Church of Shippingport met Wednesday afternoon at the church.

It is comprised of Mrs. Clarence Green, Mrs. Jack McCandless and Mrs. Raymond Tate. Twenty-two attended. Mrs. Carl Calhoun, Mrs. Lawrence Hayward, Mrs. Jack Morrow and Mrs. Robert Christy served as hostesses for a covered dinner.

The World Day of Prayer observance followed the dinner, with guests from the Bethlehem Presbyterian Church. Mrs. McCandless and Mrs. Eugene Russell were in charge of the program. Mrs. Dale Rogers sang a solo, "Jesus, Name I Love," accompanied by Mrs. Raymond Scott. Mrs. Velma Rambo of the Bethlehem Church gave the closing prayer.

## Tuberculosis Clinic Reports One New Case

LISBON — One new case was reported in the county in February, according to the monthly summary of the Tuberculosis Clinic.

In other activities the clinic said 84 X-rays were given, 92 Mantoux tests given and read, 1,630 heat tests given, six patients were started on medication and 115 homes were visited by TB nurses while Dr. F. G. Kravac of Youngstown, coordinator, held two consultations.

One patient was admitted to the TB Hospital and one was discharged. A total of 163 patients remain on home medication.

There are 13 patients in TB hospitals, eight at county expense, and the county paid for a total of 188 hospital days last month.

## Den Mothers Discuss Wellsville Cub Trips

Plans for future field trips for Cub Pack 22 of the First Christian Church of Wellsville were discussed when den mothers held a committee meeting with the Rev. Robert Andrews, cubmaster, Thursday night in the church.

The first trip will be March 20 when Dens 1, 2, 3, 6 and 7 will tour the Ohio Edison Co. plant at Stratton. The boys will be accompanied by Rev. Andrews, Wilton McElroy, the den mothers and any parents who wish to participate.

"Pack Night" will be observed March 23, the theme being electricity in conjunction with the trip. It is open to parents.

You've been speeding, and you get a ticket. You don't like it, but you know you've been wrong. With little or no argument, you pay your fine.

You've been staying home from church on Sundays for one of a dozen reasons. Maybe you like to sleep late. Maybe the minister in your church preaches dull sermons. Maybe you don't consider yourself the church-going type. Whatever your alibi—nobody's going to come after you.

This is a summons you'll have to serve on yourself. For an infraction of God's law is something that can't be ignored. Until you declare yourself guilty, you will be deliberately shutting yourself off from the greatest fellowship in the world. No judge in history has ever pronounced a sterner sentence.

# Working Women Saluted

Tribute Paid To Busy Gals Of Tri-State District  
In Special Observance By East Liverpool BPW Club

By CLARA HALL

For many years women in the Tri-State District and across America have been freed of their ancient rhyme of restriction, "I can wash the dishes, I can sweep the floor." They now boast, "I can do most anything, from eight to four."

In tribute to the area's feminine working force, the East

Liverpool Business and Professional Women's Club is marking a "Springtime Salute to Working Women" as part of its observance of National Business Women's Week.

Over 35 per cent of the jobholders in East Liverpool are on the distaff side, not only clerks, secretaries, teachers and

the primary reasons for occupation by women in the district. Many of the working gals simply didn't like housework, and a job was the easiest way out.

The glamour of the business world appealed to others, and once tied to the job, they refuse to give it up for the housewife brigade.

Several wives took a job when the husband was ill or off work, and developed a financial independence they refuse to relinquish.

Mrs. Helen Moore of Chester, started to work because of necessity but continued because the lingerie service she supplied women was rewarding in itself. Employed for many years, she has never let housework worry her, she feels she will get to it eventually.

"Employment keeps a woman on her toes" states store clerk Mrs. Nora Edgar of Allison St. "It also makes for a better appearance and a natural desire to keep weight down."

Miss Alberta Abrams, instructor at Chester Junior High School, thinks teaching is enriching and continually "educating." She says she has never regretted entering this profession which has enabled her to supply the means for visits to many foreign lands.

Miss Della Ingles of Fredericktown Rd. mentioned if she had the choice again in the selection of a career it would again be teaching for the gratification she derives is worth every minute of the time she spends at her work. She is at Westgate School.

A MIDLAND instructor, Mrs. Helen Bradfield says teaching has helped her to fulfill a purpose in life and a sense of achievement, the more years she teaches, the richer the rewards.

Mrs. Virginia Stover of W. Drury Ln., a store clerk, has no choice now as she must support herself and a widowed mother, but she sums up working as bringing her much satisfaction from pleasing the public. She said most women work because they get their "needs" mixed up with their "wants."

Operation of a small business keeps Mrs. Clara Lowers of St. Clair Ave., monument concern owner quite busy earning a livelihood, but she states the enjoyment she gets from coping with a man's world is worth all the effort she expends. "The continual swapping of ideas and the challenge offered in meeting people in all walks of life is ample reward."

A busy mother of three sons, Mrs. Doris Locke of Wyoming Ave., assistant store manager, doesn't even need to think of an excuse for working outside the home as she is assisting with the task of educating the boys, Wayne, a senior at Bowling Green State University; Darrel, a sophomore at Baldwin Wallace Conservatory of Music, and Ralph, a junior at East Liverpool High School. Her bit of humorous advice to parents "urge Sonny to marry in his junior year and she can finish putting him through."

MRS. JUNE DAVIS of Vine St. even worked while raising her family, not out of necessity but because of pleasure. She classifies herself as a conversationalist and likes to sell. She wants to keep on her toes in this wide, wide world.

A bookkeeper, Mrs. Helen McLane of Pinceton Ave., gets bored staying at home and the interest stimulated from the satisfaction of getting a job well done is enough for her. She says, "Keeping abreast of the times keeps a woman happy."

A prime demonstration of women's capability in many

Miss Sandra Moore of Rural Ln. and many other store clerks find sales work interesting.

fields is shown by Mrs. Ruth Cox Turner, busy attorney, former Hancock County Prosecutor and mother who is active in various clubs and civic endeavors.

Mrs. Evelyn Sanders of Allison St., a woman printer, believes the challenge has been worthwhile in breaking into a field which is primarily a man's.

More and more women are successfully meeting the obligation of accepting new and increasingly responsible roles in the modern world, and those who are in these roles deserve the tribute paid by the BPW Club.

A busy day at City Hospital is completed by nurse Barbara Fitzsimmons of Rogers.

nurses, but bookkeepers, store managers, doctors, lawyers and business executives.

AND AS A result of the increasing need for technicians and specialists with women's special skills and the removal of barriers of prejudice, more and more positions will be filled by the gals in the future.

Mature women make a decided contribution to the nation's labor force. Those 45 years of age and older comprise the largest group for working women. In 1900 the average age was 26 years; in 1940, it was 32 years; in 1950, it was 37, and in 1964 labor force participation was greatest in the 45-54 age bracket.

Many of the working women are called "second career women" because they were in the labor force for a few years before and after marriage, then retired to the home to raise their children for the next 20 years.

Then, with families grown, they re-entered the working fields.

The increased tendency of married women to accept the triple role of wife-mother-careerist has been an important factor in the recent expansion of women's employment. One third of all mothers with children under 18 years of age were in the labor force in 1963. This has grown steadily.

Objective of the BPW's observance is to help women develop individual talents to the fullest extent.

The program is designed to obtain wider opportunities for business and professional women, to promote fair business practices and to demonstrate the usefulness of women in the working world.

Theme of the current observance, Mrs. Doris McKinnon, city club president, said, is "The Responsibility of Full Partnership," emphasizing the close relationship of the group with youth, religion, industry, community, government and world affairs.

## Fans Follow Midland Along Title Trail Tournament Tension

The road to any championship is fraught with nervous tension, and high school basketball is especially charged with taut emotions as a result of teen-aged enthusiasm, school loyalties and nearness of fans to the fast-paced play.

All the excitement and pressures of tournament time this year in the Tri-State District are focused upon the Midland High School team, headed for WPIAL and possible state title clashes.

The moment of truth will come for the team and its followers Tuesday night when the Leopards battle Aliquippa for the WPIAL championship.

A wealth of skill and speed enabled the Midland

squad to coast through the season and early WPIAL tournament play with apparent calm deliberation.

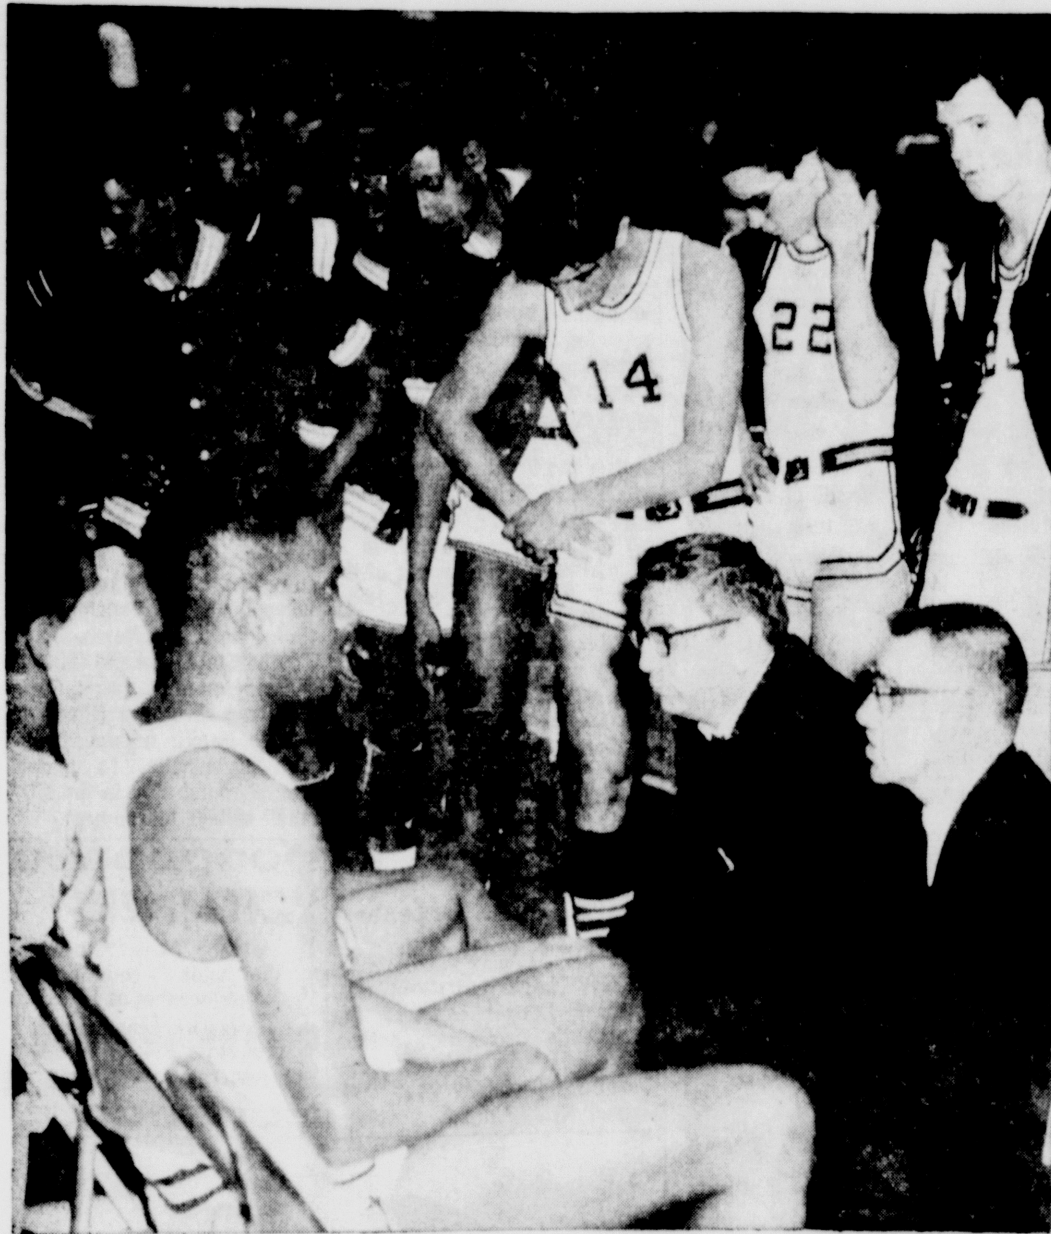

But there was always the hazard of defeat, a threat which, at least in the initial minutes of each game, brought anxiety out in the faces of the crowd, the players, the coaches.

Tuesday night this tension will reach a climax for Midland which lost the crown by three points to Uniontown in 1964 at Pittsburgh. The Leopards have never won the title and with several key members of the 1965 quintet ready for graduation, it may be many a year before the "big one" will again be within reach.

## You And The Law

Under the law what you as a client tell your lawyer in confidence he may tell no one else without your consent. A judge cannot order him or his professional employees (like secretaries) to reveal such communications in court.

Why have such a privilege? Chiefly, to do justice. It encourages clients to tell their lawyers what they have to know to help and to advise

them fully: things about their family, business and private affairs, their hopes, fears and ambitions.

No lawyer may speak of certain things, even after a client dies. A client may well have to give his lawyer details which, if revealed, might harm those he most wanted to protect.

Yet, in some very rare cases, to help carry out the

client's desires after death, a lawyer may have to reveal a confidence, under certain safeguards, to uphold his client's purposes.

What, then, are confidential communications? They are the details a client tells his lawyer when he seeks advice about his personal, business, or legal affairs — talks and letters, photographs, charts and other documents and records.

Confidential communications protect you as the client, not your lawyer. If you break the confidence, a lawyer may also have to talk, for the communication is no longer confidential. You may break a confidence by testifying about it, or by having unauthorized persons hear or see what was communicated.

No lawyer may keep quiet about a crime or fraud a client has told him he plans to commit. But afterwards, an accused person may talk freely to his lawyer. Even if guilty, he has a right to have his side of the story presented to the court as it may affect his punishment. A person in trouble needs to talk to someone without fear that what he says will become public.

(This article is based upon the law of Ohio. It is not intended to advise anyone on a specific problem. No person should ever attempt to apply or interpret any law without the advice of a lawyer.)

## Stamps In The News

The universal appeal of stamps crosses all boundaries — language and territorial.

This is noted in the latest stamp issued by Nationalist China honoring the 60th anniversary of Rotary International, an organization founded in Chicago and now in 125 countries. There are three stamps

in this set, reports the World Wide Philatelic Agency. The common design features the Rotary symbol of a mechanical gear in front of a tightly wound spring. The values, in Taiwan dollars, are \$1.50, \$2 and \$2.50.

Postmaster General John A. Gronouski announced plans to issue a 5-cent stamp commemorating the 400th anniversary of the first permanent Euro-

pean settlement in the New World — St. Augustine, Fla.

Colonization by the Spanish began in 1559 at Pensacola, Fla., but this settlement was abandoned. A permanent settlement began six years later at St. Augustine which is recognized as the oldest continuous settlement in the U. S.

This stamp is the 13th commemorative announced for 1965. Approximately 15 will be issued during the year. More details will be given in this column as they become available.

The Department of Posts and Telegraphs in Dublin has announced that an air mail stamp in a new denomination soon will be issued by Eire. The new denomination, 1 shilling 5 pence, meets the requirements resulting from the last change in postal rates. It will bear the Rock of Cashel design as used in the 1 shilling 3 pence air mail but will be blue.

And still more memorial stamps for the late President John F. Kennedy. This one is from Cyprus and comes in three values. It features a portrait and a quotation "self determination for Cyprus" made by the then-Sen. Kennedy in Congress on March 13, 1956.

## Who's Who In World Of Students

Nancy Huston, a pert Wells-ville High School senior who plans a career in psychology, will complete four years of leadership and service to the school when she receives her diploma in June.

She has been on the Student Council and the Tiger Rag newspaper staff, and served this year as editor of the year book. Nancy also has been active in Y-Teens, serving as president this year, and was crowned queen of the Sweetheart Dance Feb. 25. Mrs. Fred W. Neiser of 927 McKinnon Ave. submits this tasty casserole dish which will serve eight or more persons.

**Ham and Vegetable Scallops**  
1 can condensed cream of mushroom soup  
1/2 cup milk  
1-3 cup finely chopped onion  
2 cups diced potatoes  
1 cup sliced carrots  
1 pkg. frozen lima beans, thawed  
1 1/2 cup cooked ham, cut in strips or pieces

1/2 cup buttered soft bread crumbs

Mix soup and milk, heat to boiling, stirring constantly. Add layers of vegetables alternately with ham to a greased 2 - quart casserole. Sprinkle bread crumbs over top.

If desired, a cup - shaped hole may be cut in the center and lined with thin ham slices. Bake for one hour in a 350 degree oven. Tuck crisp sprigs of parsley into casserole before serving.

# Midland Eyes First WPIAL Title; Faces Quips In Final

## Lebanon Puts Up Stiffest Contest, But Falls, 57-49

By BOB DUFFY  
Review Sports Editor

Upset-minded Aliquippa is the only barrier between Midland and its first WPIAL championship. Coach Hank Kuzma's Leopards captured a berth in the finals by eliminating a stubborn Mt. Lebanon team, 57-49, Friday night.

Although the victory was not by a large margin, the 8,124 fans at Pittsburgh's Civic Arena didn't see the Leopards in any real trouble during the semi-final battle.

The stage is now set for Tuesday's final game at the Arena as Beaver County has become the hotbed of basketball in Western Pennsylvania by claiming both finalists.

Aliquippa got to the dream game the hard way by upsetting defending WPIAL and state champion Uniontown, 66-65, Thursday night.

**THE UPSET** spoiled Midland's chance to gain revenge over Uniontown for last year's loss in the WPIAL final.

With all the victories compiled by Midland teams through the years, the Leopards have never won the WPIAL title.

Coach Dick Black, a former Midland athlete, sent his Mt. Lebanon club out in a deliberate pattern in the first half and it worked for a brief time in the first period.

The Leopards trailed through the early going, but took a five-point edge at halftime, 24-19, and increased that to 40-31 after three periods.

**MT. LEBANON**, bent on pulling an upset in the fashion Aliquippa had done the previous night, came within three points in the opening seconds of the third quarter, but Midland pulled away again and was not to be overtaken.

Midland, now winners in 24 straight, probably was not at its best Friday night and Kuzma hinted this after the game.

Maybe the fact that the Leopards won't get that chance at Uniontown had something to do with it. Kuzma did say, "yes, we would like to have had a shot at Uniontown, but we are playing Aliquippa now and we must be ready for them."

**KUZMA** pointed out that "Aliquippa doesn't have the size of some of the other teams but they are a running team and shoot well from the outside."

There was no standout for Midland in its victory over the poised Mt. Lebanon team, which entered last night's game with a 22-2 record. Six of seven Leopards cagers who saw action all contributed to the semi-final victory.

Sim Hill, the 6-6 stronghold of the Midland team, finished with 17 points, but 14 came in the first half, including 10 in the second quarter.

**HILL** committed his fourth foul in the third period and joined Kuzma on the bench for several minutes, not returning until 4:45 remaining in the contest.

Hill took 12 shots and canned seven, while his running mate on the inside, Ron Brown, finished with 10 points.

Norm Vanlier, playing his usual steady floor game and

feeding off under the basket to Hill, Brown or Brent Lake, scored eight points, as did Lake and Steve Alston.

**SUBSTITUTE** Rich Mahurt who replaced Hill in the second half chipped in with six timely points, all coming in the fourth quarter.

The team effort was emphasized in the rebounding department where Hill grabbed 10, Brown nine and Vanlier and Lake eight each.

Midland showed an edge in the shooting by making 23 of 49 for 48 per cent, while the Blue Devils hit the target on 17 of 51 for 33 per cent.

The Leopards, in winning their stiffest test so far in the tournament, found themselves in the unfamiliar position of being behind.

**MT. LEBANON** led 5-2 in the opening minutes, but Midland went in front 12-10 in the first quarter mark.

The Devils took a 13-12 edge on a three-point play by Bob Fitzwilson, 6-6 center, but that was the last time Midland trailed.

Hill hit two fouls and a bucket to push the count to 16-13. After a foul by Bob Marsh, Hill hit three straight buckets and Midland owned a 22-14 lead.

Midland's only other threat came when Fitzwilson opened the third quarter with a goal to bring the count to 24-21, but Brown and Alston solved this problem with two quick goals to push the lead back to seven.

**SCOTT ROBINSON** put Mt. Lebanon within five points and the Leopards, feeling this was too close, scored the next seven points with Hill, Lake and Vanlier sharing in the scoring to make it 35-23, the biggest lead of the evening.

Midland stayed in front by a safe distance throughout the final eight minutes.

Fitzwilson matched Hill's effort in the scoring department with 17 points, while Robinson added 14 and Wayne Porter, 5-10 playmaker, tallied 11.

Tuesday's final game will get under way at 8 p.m. and will be televised over Channel 13.

The winner of the WPIAL playoff will advance into the Western playoffs to be staged March 13 and 17 at the Pitt Fieldhouse. The state finals will be held at Harrisburg March 20.

THIS WAS THE SCENE early in the second quarter Friday night at the Civic Arena in Pittsburgh as over 8,000 fans watched the Midland Leopards gain a spot in the WPIAL finals. The scoreboard shows Midland in front 14-13. The Leopards defeated Mt. Lebanon, 57-49 and will meet Aliquippa for the WPIAL title Tuesday at 8 p. m.

## Oak Glen, Southern Seek Crowns

### Indians Face Crestview '5' At Struthers

Oak Glen goes after its first AAA Section title and Southern Local will be shooting for all the marbles in the Class A Sectional finals at Struthers tonight.

Oak Glen must defeat a Wellsburg team which has beaten the Golden Bears twice this season. The Wellsburg-Oak Glen final on the Oak Glen floor will start at 8 p.m.

Coach Bob Starkey's team gained the finals with a victory over Weirton while Wellsburg, which is favored in the tourney, came from behind to defeat Folsom.

The winner of tonight's contest at Oak Glen advances to Region play at Moundsville next week.

Southern Local's upset minded outfit, which gained the finals by surprising Columbiana and United, faces Coach Bruce Weber's strong Crestview team.

The contest which will get under way about 9 p.m. has to be rated a tossup since the two schools split in regular season play each winning on its own floor.

The Southern-Crestview battle will be preceded by the upper bracket final between Lowellville and top seeded Springfield Local.

Two winners from Struthers will advance to the District tournament next week at Canton.

The latest victory for Coach Al Girone's team was an overtime as the Indians squeezed past United, 59-58. Meanwhile, Crestview at a close call in nipping Lisbon, 61-59, at the buzzer.

### Martindale Leads By Two

By ROBERT SANDLER  
PENSACOLA, Fla. (AP)—Arnold Palmer has Arnie's Army. Bobby Nichols has Bobby's Bunch and Gary Player has Gary's Gang following them around the golf course.

Bill Martindale, the second round leader in the \$65,000 Pensacola Open, had eight people—two of whom were his golfing partners.

"I've drawn more people than that," said the young Texan who is just two years out of college. "I once had 10 people follow me."

Martindale did attract a crowd — all reporters — after he holed a 40-foot birdie putt on the 18th for a four-under-par 68, a total 137 and a two-stroke advantage over the field Friday. He said the wind and cold, which were playing havoc with some of the best-known names in professional golf, didn't bother him a bit.

Jack Nicklaus and Doug Sanders, two of the first round leaders, shot one-under 71s for second place at 139.

Player, the defending champion, stayed in good position with a 70 for 142 and a five-way tie for fifth place, but Palmer was far back in the pack with 144.

Nichols failed to make the 148 cutoff as did Mason Rudolph, Mike Souchak, Jay Hebert and Bob Rosburg.

### Wants Clay-Liston Winner

## Terrell Outpoints Machen To Win WBA Heavy Title

By MURRAY ROSE  
Associated Press Sports Writer

CHICAGO (AP)—Ernie Terrell is the World Boxing Association's heavyweight champion today but whether the title means anything after his lustily boomed tug-of-war with Eddie Machen Friday night remains a big question mark.

Terrell wants to fight the winner of the Cassius Clay-Sonny Liston title fight, set for Boston May 25. The WBA, which dethroned Clay for signing for the return with Liston, wants him to fight Floyd Patterson, the ex-champion, next.

But the towering Terrell, prompted by Manager Julie Isaacson, said he won't fight Patterson because "he never gave anyone a chance."

And sources close to Patterson said he's just going to wait on the Clay-Liston outcome hoping that Clay will win again.

Terrell and Isaacson were scheduled to meet with the WBA's executive committee today to discuss the next step.

"We hope to straighten out the mess," said Merv McKenzie of Toronto, the WBA president. Pitching for the home town, he

suggested a Terrell scrap with Canadian champion George Chuvalo in Toronto might be the answer. Chuvalo was beaten by Patterson in a thriller in New York, Feb. 1.

As for the fight, Joe Louis, the old champion who was brought to help the 6-foot-6, guitar-strumming Terrell polish up his skills, summed it up in his usual terse and honest manner:

"It wasn't a good fight. Terrell looked like an amateur and Machen didn't help any."

Terrell's snapping left jabs piled up enough points to earn him the unanimous, if unpopular, decision in the 15-rounder at the International Amphitheatre. Ringside writers voted 12-3 for the towering, 25-year-old Chicagoan over the 6-foot, 32-year-old veteran from Redding, Calif.

The boos rolled out long and loudly after the verdict was announced. Referee Sonny Weisman had it 72-67 on the five-point a round must system. Judge William Doty had it 70-67 and Judge Dr. A. Duxler had it 72-66. The Associated Press had Terrell in front 71-67 on points and 8-4 with three even in

rounds. On rounds Weisman had it 8-3-4, Doty, 8-5-2, and Duxler 9-3-3.

Their styles, the six-inch difference in height and the seven-inch spread in reach, helped make it a miserable show, constantly marred by holding and spinning. Both were on the deck from shoves, pushes and slips but there were no knockdowns and nothing close to one.

## Duke Crushes Wake Forest, Gains Finals

By The Associated Press

"We're going to be all right now," said Duke Coach Vic Bubas after his eighth-ranked Blue Devils barely escaped disaster at the hands of South Carolina in the first round of the Atlantic Coast Conference championship tournament.

He was right. The Blue Devils rebounded to crush Wake Forest 101-81 in the semifinals Friday night and need only to beat N.C. State in tonight's final at Raleigh to wrap up their third straight ACC title and an automatic berth in the NCAA post-season tournament. N.C. State reached the final by defeating Maryland 76-67.

UCLA, second-ranked in the Associated Press poll, beat Southern California 77-71, fourth-ranked Providence walked Brown 90-65 and 10th-ranked Brigham Young won the Western Athletic Conference title and an NCAA berth by defeating Wyoming 102-87.

The New Mexico Lobos, seeded second in the NIT tournament opening next week in New York, lost their third straight game, 78-76 to Utah while in other Friday games Harvard beat Yale 85-83, Florida took Georgia 90-66, Stanford downed California 86-79, Oregon State humbled Oregon 69-50 and Washington State went two overtimes to beat Washington 78-74.

Unbeaten Evansville opened defense of its national NCAA small college championship by crushing Bethune Cookman 116-77 in one of 16 regional games.

"I think the boys believe they've got the toughest one out of the way," Bubas said after Duke's 62-60 squeaker over South Carolina Thursday. The Blue Devils made his comment stand up by exploding for an 18-point lead in the second half at 77-59 and drubbing Wake Forest. Steve Vacendak led the onslaught with 25 points followed by Jack Marin's 20.

A crowd of 14,571, the largest collegiate turnout in Los Angeles history, saw UCLA whip the Trojans for their 32nd straight in Pacific Athletic Conference play.

St. Michael's of Vermont, Belknap, Buffalo, Akron, Assumption of Massachusetts, Long Island, Philadelphia Textile, Moorhead, North Dakota, Fresno State, Abilene Christian, Washington of St. Louis, Central Michigan, Southern Illinois and Seattle Pacific advanced, along with Evansville, to tonight's second round play in the NCAA small college tournament.

## 1964's Derby Nominees Set

LOUISVILLE, Ky. (AP) — Jacinto, Kentucky-bred pride of California; Flamingo winner Native Charger; 1964 juvenile champion Bold Lad and 127 other 3-year-olds have been nominated for the 91st running of the Kentucky Derby at Churchill Downs May 1.

The list, announced today, includes all of the 2-year-olds standouts of last year except Sadair and Royal Gunner. Both were injured during the winter season. Sadair has been retired to the stud but Royal Gunner is expected to make it back to the races later in the year.

Only a dozen or so of the 130, however, are expected to be in the Derby starting line-up. The first of the Triple Crown series, which also includes the Preakness and the Belmont Stakes, carries a purse of \$125,000 in added money. The winner of the 1 1/4-mile race is guaranteed \$100,000.

Although no filly has won the Derby since Regret in 1915 two were nominated for this year's run for the roses. They are J. Graham Brown's Marry the Prince, an impressive winner in Florida, and Mrs. H. F. Becker's Miss Fails, which never has raced.

## 4 Injured In Canton Fracas After South Upsets McKinley

CANTON, Ohio (AP)—Four Canton South High School students including a star basketball player were injured in a disturbance Friday night at Memorial Auditorium after South upset Canton McKinley, No. 1 ranked in the statewide Associated Press poll, 61-57 in double overtime.

The Class AA Sectional Tournament loss wrecked McKinley hopes of a long-coveted state championship. This was the Bulldogs' only loss of the season.

Afterward, South Coach Charles Ash said Tom Becher, who scored 15 points for South

and was strong on rebounding, was clubbed on the way to the dressing room. Ash said Becher had an 8-inch bruise on the hip and was taken to Aultman Hospital for X-rays.

Another student, Gerald Cloer, 16, was admitted to the hospital, but the nature of his injuries, believed minor, was not revealed. Two students were treated at the hospital and released.

Police said three McKinley students were questioned and were being held in detention home. Officers said they had confiscated a 2-by-4 board that had been used as a club.

### Akron Faces Buffalo For Regional Crown

AKRON, Ohio (AP)—The host Akron Zips and Buffalo Bulls meet here tonight for the championship of the NCAA Midwest College Division regional basketball tournament. The winner will compete in the division finals at Evansville, Ind., next week.

Akron came from behind in the second half to defeat Steubenville 72-70, Friday night in the first round. Buffalo led practically all the way in defeating Randolph Macon 81-69 in the opener.

Randolph Macon and Steubenville play a consolation preliminary tonight.

Bill Turner's hook shot with five seconds remaining gave the Zips their 20th victory in 26 games. Akron had tied the score at 70-70 on two free throws by Ken Mackovic.

Steubenville raced to a 25-10 lead in the first 10 minutes but Akron closed the gap to 41-37 at halftime.

Turner and Don Williams made 18 points apiece to lead Akron scoring. Randy Greene led the Barons with 19.

**Cash, Stamps Taken In High School Office**  
 Apparently only a small amount of cash and some stamps were stolen when young thieves broke into High School Principal Carl Pelini's office Friday night or early this morning, police reported.  
 The theft was discovered about 8 a.m. by custodians, who had left the building at 10:20 Friday night.  
 The youthful thieves broke a small window in a door in Apple Alley to gain entrance to the building and then removed nails and crawled through a transom only big enough for a boy to enter the locked office. The office was not ransacked, officers said.

 Each den will make favors for the nursing homes at Easter. Ronald Eckleberry gave the treasurer's report. Next committee meeting will be held April 2.

## Snow And Ice Blamed For 6 City Mishaps

Snow and ice were blamed for six city mishaps, most of them in the downtown area Friday, and a Chester area youth escaped injury in another accident when bumped by a backing auto.

David L. Roberts, 16, of the Chester-Newell Rd. was examined by a physician after stepping from a curb into the path of a backing auto operated by Craig R. Walton, 29, of Vale St.

Walton took the youth to the office of a physician, who said the boy was unhurt.

Walton said he was backing on Market St. as the boy stepped from the curb. The youth told police he was looking in the opposite direction as he stepped off the curb and didn't see the backing auto, owned by the Utility Leasing Corp. of Columbus.

Glen Willey of Campground Rd. was listed by police as a witness to the mishap.

Thomas Fannin, 60, of 319 Thompson Ave., who reported to police last night that his halted car was struck by a skidding auto at Bradshaw and Walnut St. at 6:10 p.m., was treated at City Hospital this morning for a whiplash injury.

Police said Fannin came to the office about 6:30 p.m. and reported he had stopped at the intersection when a 1956 auto operated by Robert Talbot, 825 Mason St., skidded into his car.

Fannin said the drivers exchanged names and addresses, but he later decided to make a report to police. Officers said they were unable to contact Talbot by telephone.

Four autos were damaged in a collision on Broadway near E. 3rd St. at 6:24 p.m. when an East End youth's skidding auto struck the rear of a Chester man's vehicle with both striking parked autos.

Ronald Lee Hildebrand, 21, of 1122 Railroad St. said he was descending the steep grade and started to slow down when he lost control and his car struck the rear of a 1965 station wagon operated by Perry L. Rigby, 75, of Meadow Crest, Chester.

Rigby said the impact knocked his station wagon into a parked auto and Hildebrand told police he bounced off the Rigby auto into another parked car.

The parked cars were owned by David Lanam, 809 Commerce St., Wellsville, and Leonard Bloor of Box 292, East Liverpool.

The entire front end of Hildebrand's car, owned by Linda K. Chaffee of Anderson Blvd., was damaged along with the rear door of the Rigby station wagon, the left rear end of the Lanam auto and the left rear fender of the Bloor auto.

A crash at 6:46 p.m. at E. 3rd and Jefferson Sts. involved a station wagon operated by Kenneth D. Bowen, 40, of 2200 Crawford Ave. and a truck driven by Everett L. Finley, 39, of Lisbon R. D. 2 and owned by Leaseway, Inc., of Columbiana.

Bowen said he was headed west as Finley started around a stalled truck. The East End man said he applied his brakes but the car skidded into the rear wheel of Finley's truck.

Two trucks were involved in a mishap at 3:48 p.m. at Mulberry St. and Pennsylvania Ave. Worthie W. Varner, 41, of Moore Ave., Oakmont, said he was headed east in the right lane and a truck operated by Jennings W. Douglas, 27, of Salem was ahead of him and straddling both eastbound lanes. The Salem man suddenly backed into the front of his truck, Varner told officers.

Douglas told police he was unfamiliar with the area and was looking for route signs when his truck drifted backward.

A skidding mishap at 5:50 p.m. on the River Rd. at the Walnut St. crossing involved a compact and a pickup truck.

James E. Stewart, 34, of 1129 Ohio Ave. had crossed the tracks and was turning east when a pickup truck operated by Robert J. Freed, 57, of 306 E. 2nd St. skidded into the front door, police reported.

Stewart went to City Hospital at 9:10 p.m. for treatment of a whiplash injury.

An accident at 3:38 p.m. on Harvey Ave., about 300 feet west of Putnam St., involved autos operated by John K. McCarron, 25, of 1620 Clark Ave., Wellsville, and Michael Edward Campbell, 18, of Birch Rd., East Liverpool.

McCarron said he was headed east in his 1963 sedan when the other driver passed him and brushed the bumper of his auto. Campbell told police he was coming out of a parking lot and misjudged the distance between the autos.

Between sessions of Congress, crews in the Capitol must scour, dust, mop and polish 540 rooms, 16½ acres of floor space, more than 100 elaborate chandeliers, 160 paintings, 83 statues, 64 marble and bronze busts and other works of art.

## Hancock

(Continued from Page 1)

erty as set by a professional appraisal company that was hired by the state to assess property in the county.

Pirraglia noted that last year the assessment was to have risen from 40 per cent of the appraisal firm's appraisal to 45 per cent and that this year they will have risen to 50 per cent in accordance with state requirements.

However, he said, county officials last year were able to get agreement from the State Tax Commissioner to keep Hancock's assessment at the 40 per cent level.

This means that county property owners can expect another increase next year to reach the required 50 per cent level.

Actually, the hike from 40 to 45 per cent of the appraised value is equal to an increase of 11 per cent in the assessment figure.

An example is a house appraised at "true and actual value" of \$12,000, which went on the books in 1963 for tax purposes at 40 per cent or \$4,800.

This year, with the 45 per cent of the appraisal used, the house goes on the books at \$5,400, which is slightly more than an 11 per cent increase.

The Weirton Steel Co. was assessed a total of \$85,165,050 for 1965, compared to \$79,372,050 last year, an increase of \$5,793,000.

The corporation's holdings make up 50.1 per cent of the entire Hancock County total assessment. Weirton Steel assessment has risen by \$11,106,768 in the past two years.

The bulk of the assessment increase resulted in Weirton, where Pirraglia's figures show property was assessed at \$137,946,100 this year, compared to \$127,583,550 in 1964, an increase of \$10,362,550.

Property in Chester was assessed at \$8,141,785, up \$82,065; in New Cumberland, \$2,646,900, up \$6,290, and in rural areas, \$21,254,030, up \$1,544,450. Assessments by classes were:

Class I — Farm equipment and accounts receivable, \$9,427,000, decrease of \$541,330.

Class II — Owner occupied houses, \$43,122,500, up \$4,687,560.

Class III — Rented properties, commercial business and industry, outside municipalities, \$11,208,480, up \$429,540.

Class IV — Same properties include municipalities, \$106,230,835, up \$7,419,585.

## Teen-Agers Held In Curb Meter Theft

Two East Liverpool teen-agers were nabbed by police Friday night shortly after an alert resident notified officers he saw the two boys steal a parking meter and steel standard from Walnut St.

The 15-year-olds, who admitted stealing a meter from E. 4th St. earlier, were questioned this morning.

They are scheduled to appear in Juvenile Court at Lisbon at 11 a.m. Monday, police said.

The duo was nabbed on the Salvation Army lot at Pleasant and Apple Alleys by Patrolmen Jack Strobel and Orin C. Smith just after they had forced open the meter, which had been removed at Walnut St. and Pleasant Alley.

The officers were notified at 10:43 p.m. by Patrolman R. B. Pyle, desk officer, that an unidentified person had just witnessed the two boys stealing the meter.

Driving from St. Clair Ave. to Walnut and E. 5th Sts., Officer Smith walked down Apple Alley and Patrolman Strobel continued down Walnut St. and then advanced on the two boys in the lot where they had opened the meter.

The officers had the boys carry the meter and steel standard to the cruiser and took them to the station where they admitted stealing a meter from E. 4th St. in front of Carnegie Library.

Patrolman L. E. Richard in another cruiser and Officer K. J. Montgomery on foot arrived just before the boys were taken to the police headquarters.

The youths told officers when questioned this morning that they took the Walnut St. meter after obtaining only 29 cents from the meter at the library. The meter was found by police this morning on the library grounds, hidden by hedges.

## 81 Unhurt As Engine Falls Off Jet Airliner

NEW YORK (AP) — The right outboard engine of an Eastern Airlines DC8 jet fell off Friday night after the airliner landed on a runway at Kennedy Airport.

There were no injuries to the 75 passengers or 6 crew members on the plane, flight 808 from San Juan, Puerto Rico.

## City Man Hurt In One Of 6 Area Mishaps

A city man was injured slightly in a skidding accident at 6:30 a.m. today on the Williamsport Hill, according to the Ohio Highway Patrol at Lisbon.

Officers investigated five other area accidents Friday, all blamed on slippery highway conditions.

Anthony Eckert, 31, of Broadway was examined at City Hospital this morning for injuries suffered in the one-car mishap on Route 7 at Williamsport. Officers said his car went off the highway and hit an embankment.

Pearl Duck, 31, of 1270 Parshall St., Wellsville, escaped injury when her car struck guardrails along Route 45 a half mile North of Wellsville Friday afternoon at 4:25.

She was headed south on Route 45 when she lost control on the ice, went off the right side and hit the guardrails. The car then went off the left side and rammed an embankment, officers reported. She was cited for improper speed.

A car driven by Patsy Lou Zacharias, 32, of Glasgow, Hillcrest, and a truck driven by Gerald Theodore McDole, 40, of 526 Midland Ave., Midland, were involved in an accident noon Friday on Township Rd. 1002 just off Route 45.

The woman applied her brakes as she was rounding a curve and skidded left of center on the slick road into the path of the truck.

She was cited for improper speed.

Cars driven by William Harrison Hunter, 61, of East Liverpool R. D. 3 and Bernie Ware of Alliance R. D. 2 were involved in a collision Friday at 10:40 a.m. on Route 30 just south of the Rt. 267 intersection.

Hunter made a left turn into the path of the oncoming Ware car, officers said. He was cited for making an improper turn.

Michael Dangler, 17, of Salem R. D. 3 suffered back and neck injuries when his car overturned on the Teegarden Rd. hill just over a mile west of Route 45 Friday at 10:45 p.m.

The youth lost control on a curve. The car went off the left side of the road, crossed back diagonally and then rolled over. He was treated at Salem Central Clinic. Officers cited him for improper speed.

Three suffered minor injuries in a one-car accident at 1:01 a.m. Friday on Route 154 a mile and a half east of Route 170.

Joseph Eldrich, 19, of Pittsburgh lost control on a slick curve, went off the road and overturned.

He and two companions, William Nixon of Butler, and John Walter of Philadelphia were treated at Providence Hospital at Beaver Falls, the patrol said.

Officers investigated five other accidents in the northern part of the county, also blamed on bad highway conditions. Officers said the roads were snow-covered and icy today.

## County's Courts Paid \$3,941 For February

LISBON — The three Columbiana County courts paid the County Treasurer a total of \$3,941.50 in fines and costs in February, Clerk of Courts Carl L. Stacey reported.

A breakdown shows \$2,285.50 in fines and \$1,655.70 in civil and criminal cases and court costs.

Another \$1,569.60 went to the state for its 45 per cent of patrol fines and \$40 for other fines.

The three courts handled 310 criminal cases and 65 civil cases during the month, and sheriff, constable and city police fees paid out amounted to \$172.40.

## Hookstown And City Cars Figure In Crash

Autos driven by Margie Morgan, 40, of Hookstown, and Richard Landfried, 42, of 903 Dresden Ave., were involved in a collision about 5:10 p.m. Friday on Route 66 near the Newell Bridge.

The Hancock County sheriff's office reported that Miss Morgan's auto skidded on icy pavement, striking the rear of Landfried's car. Damages to Landfried's auto amounted to \$150, and \$200 to Miss Morgan's.

## Judge Tobin Speaks For County Seminar

LISBON — Probate Judge Louis Tobin spoke on "Probate Law" at the Columbiana County Bar Associations second legal seminar Friday afternoon in Courtroom No. 1.

The program, sponsored by the committee on Continuing Legal Education, was followed by a family-style dinner in the McKinley Room of the VFW. Post. About 33 attended.

## Fairview Grange Will Give Wedding Anniversary Fete

Plans for various events were discussed at a meeting of the Fairview Grange Thursday night in the Grange Hall in Ohioville.

A coverdish dinner will be held March 27 at 6 p.m. for honorary members, Mr. and Mrs. Charles Sheeler, on their 58th wedding anniversary. Mrs. Earl Sherman, social supper committee chairman, announced plans.

Mrs. Paul Dawson reported that sub-committees for community service will remain the same as last year. She also announced that the Dollars For Scholars drive in Ohioville Borough will be under the direction of the Grange. Members will canvass the week of March 15.

Home economics chairman, Mrs. Marko Ratkovich, announced plans for a fund-raising project to tile the kitchen floor.

Robert Dawson, master, said that the unit will participate in the boat regatta in Beaver in August.

Fair committees were discussed.

Pamona Grange will be held March 13 at North Sewickley Grange with the afternoon session beginning at 2 and the evening at 7. An auction will be held and fifth degrees conferred.

Area Girl Scouts were granted permission to use the hall for a Scout-a-Rama May 22.

A program of games was under the direction of Mrs. Earl Carroll. Prizes were awarded Mr. and Mrs. James Britton, Walter Schuffert and Mrs. Mary Rolya.

Refreshments were served 45 by Juvenile Grangers.

The next meeting will be held March 16.

## Hancock Man Fined, Jailed

NEW CUMBERLAND — Larry Osbourne of R. D. 2 was fined \$30 and costs and sentenced to 30 days in jail in Squire John D. Herron's court Friday on a charge of petty larceny, stemming from the theft of an auto starter.

He was also jailed in default of \$500 bond for an appearance Monday on a charge of hit and run. Osbourne's auto struck a pedestrian, who was treated by a physician, Herbert Beaver filed the petty larceny complaint, and Police Chief William Webster made the arrest in the hit and run incident.

In another case, Mike Musulin of Weirton, cited by the sheriff's office on a charge of conducting a lottery, forfeited \$207 bond.

Bonnie Sue Beam of Waterford Park was placed under \$500 peace bond on a charge of disorderly conduct and obstructing an officer. Charges were filed by the sheriff's office in connection with a fracas at the race track Wednesday in which four persons accused her husband of felonious assault. James Beam, a stable hand, posted \$500 bond for the assault hearing to be held Monday before Squire Harry Lyon of Newell, who also fined the wife Thursday \$10 for assault and battery.

Hencil Kerns of Georgetown R. D. 1, also cited by the sheriff's office, posted \$16 bond for

## Tax

Hildebrand, adding, "I don't know how long he can keep it up. We need too much now, especially in new mental hygiene facilities and programs."

The 20-year legislative veteran said he hoped the \$100 million each of the two fields over the 10 years could go for building and staffing several new mental hospitals—including some for children—and could provide college scholarships and subsidy of school buses.

"The most pressing need," Hildebrand said, "is for facilities for mentally sick youngsters. They can't get into state hospitals until they are 15 and nothing much can be done for them until then."

"In the northwestern and southeastern parts of the state, there are no facilities at all for children. And I feel it is wrong to take these sick kids to a facility 100 to 150 miles from their homes."

Many people, he said, tell him a tax on soda pop would hurt the children most. He replies, "It wouldn't hurt the kids, it is all for their future."

A similar tax in West Virginia, Hildebrand noted, provided that state with a medical school and a 500-bed medical center.

## Hookstown Class To Sell Napkins

Plans to sell napkins as a fund-raising project were discussed at a meeting of the Philanthropic Class of the Hookstown United Presbyterian Church Tuesday night with Mr. and Mrs. William Moore of Hookstown.

The class also decided to make Christmas placemats to be distributed to various hospitals during the yule season.

Mrs. Moore, president, said the project would begin in October and that old Christmas cards for use in the mats would be collected by members.

Devolutions were led by Mrs. Howard Narry. The "United Faith Quiz" was conducted by Mrs. Willis Swearingen.

Lunch was served 12 by the hostess, assisted by Mrs. Narry.

## Lisbon Sorority's Members Donate Funds For 2 Groups

Devotions to two groups were approved when the Delta Omicron Chapter of Epsilon Sigma Alpha Sorority met at the home of Mrs. William Jones of E. Lincoln Way in Lisbon Thursday evening. Co-hostesses were Mrs. Larry Kessler and Mrs. William Robinson.

The donations went to the Heart Association and the Lisbon Teachers Association Community Scholarship Foundation.

A favorite household hint was roll call response with Mrs. Dennis Johnson, president, presiding.

"The Art of Homemaking" was the program presented by Mrs. Shirley Brown and Mrs. Jerry Rose.

Chapter members will be guests of Gamma Omicron Chapter of East Palestine March 24.

Mrs. Frank Henry, president of Gamma Nu Chapter of Ep-

silon Sigma Alpha Sorority presided at the meeting held Thursday evening at the home of Mrs. Hillard Mullins of Columbiana Rd.

A nominating committee composed of Miss Grace Todd, Mrs. Kenneth Mugridge and Mrs. John Bloksom was appointed to present a slate of officers at the next meeting March 18.

Hostess for the next meeting, which will be a birthday and rush party, will be Mrs. Frank Adomitis of Pine St.

The Thursday Night Club met with Mrs. Eugene McLaughlin of Sherman St. Thursday evening.

Prizes were awarded Mrs. Robert Taffini and Mrs. Rennis Perkins.

Mrs. Taffini of W. Maple St. will be hostess March 18.

Mrs. Kathy Bush, councilor of Pride of Center Council 190 of the Daughters of America, presided at the meeting Thursday evening when plans were made for the 47th anniversary dinner party at the Lions Cottage Thursday at 6:30 p.m.

Hostesses were Mrs. Ollie Carnes, Mrs. Elva Fife, Mrs. Thelma Hill and Mrs. Myrtle Toot. Prizes were awarded Mrs. Ivy Mentzer, Mrs. Lydia Bennett and Mrs. Artie Anderson.

Transportation Set Up

Members who need transportation to the anniversary dinner

are to meet at 6 p.m. at the lodge rooms.

Mrs. Kenneth Apple, president, said tickets will be sold at the door for the Lincoln Parent - Teacher Association's annual public dinner tonight from 5 to 7 at the school.

## Anniversary Set Next Week For City Moose Lodge

The 53rd anniversary of the Moose Lodge will be commemorated with a program next week at the local lodge, Arnold Densmore, secretary, said.

Pictures of Mooseheart and Moosehaven will be screened each night. Old timers will be feted and there will be bowling and euchre.

A regular meeting will be held Thursday night with a dance Friday night with William Jackson and orchestra furnishing the music.

Highlight of the week will be the initiation of a class of 75 candidates by a ritual team from Conneaut on March 14 when a district meeting also will be held.

Lloyd Hawley of Columbus, state director, will address lodge representatives from Ashtabula, Warren, Niles, Lowellville, Youngstown, Salem and East Palestine.

Dinner will be served by the auxiliary and Jackson's orchestra will play for dancing.

The Moose national championship quartet, the Great Scots of East Liverpool, will entertain.

## Southern Board Set

SALINEVILLE — The Southern Local School District Board of Education will meet Monday night at 7:30 at the high school. Charles Allison is president.

### Youth Admits Firing Pistol Wounding Man

CLEVELAND (AP) — Police say an 18-year-old youth has admitted firing the revolver that wounded Abe Hoicowitz, 71, during a \$50 robbery at his store Feb. 25.

The youth was arrested Friday with two other members of the gang believed by police to have been involved in the robbery-shooting. A shotgun, a Japanese rifle, two knives and several boxes of ammunition were found in the home where the three were arrested, detectives said.

Two shots were fired at Hoicowitz in the robbery, one of the bullets entering the back of his neck, police said. The suspect told detectives he was aiming at a dog that dashed across the room, not at Hoicowitz.

Hoicowitz, hospitalized three days, is recovering at his home in Shaker Heights.

Dead are Mrs. Clarence (Pauline) Murray, 37, and her one-year-old daughter Karen, of Lewisburg, Ohio, Murray, 37, and a son, Kevin, 2, were injured. Kevin was admitted to Mt. Carmel Hospital here in critical condition.

### Jury Awards \$5,000 For Collision Injury

LISBON — A jury verdict of \$5,000 was returned Friday for Mrs. Hazel Porada, 41, of New Springfield for injuries in a traffic crash.

Mrs. Porada asked \$75,000 for alleged injuries in a two-car collision May 3, 1963, on Route 14 at Unity.

She sued Albert Giesecke, 23, of Enon Valley, who had made a left turn in front of the car driven by Lawrence Porada, injuring his wife. The jury deliberated three hours, reporting shortly before noon.

### Lisbon Council Set

LISBON — Specifications for bids on a new police cruiser will be discussed when Council meets Monday at 7:30 p.m. in the Village Hall. Mayor Dean Stockman will preside.

Today In History

By The Associated Press  
Today is Saturday, March 6, the 65th day of 1965. There are 300 days left in the year.  
Today's highlight in history:  
On this date in 1836, Mexican forces poured through a breach in the wall surrounding the mission compound of the Alamo in San Antonio, Tex.  
On this date  
In 1857, the Supreme Court handed down its Dred Scott decision, implying that Congress has no power to exclude slavery from the territories.  
In 1888, American author Louisa May Alcott died.  
In 1933, President Franklin D. Roosevelt issued his proclamation closing the nation's banks.  
In 1940, the first engagement between British and German infantry in World War II took place.  
In 1944, U.S. Flying Fortress and Liberators bombed Berlin.  
Ten years ago--A U.S. Air

Force B54 transport hit a mountain peak in Formosa, killing all 14 aboard.  
Five years ago -- President Dwight D. Eisenhower was taking a four-day rest in Puerto Rico.  
One year ago--King Paul of Greece died.

This 'n That

Free-fall sky divers tumbled toward the earth at a speed of from 120 to 160 miles an hour. And when their parachutes open their speed slows down to under 11 miles an hour, or 16 feet per second.  
The United States has the greatest mileage of roads in the world. According to the latest count in the 50 states, there are 3,545,695 miles of graded roads.  
The cape buffalo is generally rated as Africa's most vicious animal. Buffalo have been known to ambush a hunter and trample him with ax-sharp hoofs. They have even dispositions -- always angry.

Junior Editors Quiz on  
PEARLS

QUESTION: How do pearls form?

ANSWER: Although classed as a gem, the pearl is different from other precious stones in that it is not mined in mineral form but is produced inside the body of an animal, the pearl oyster. The peculiar beauty of the pearl is that, instead of being hard like other gems and reflecting the light away in brilliant sparkles, the softer pearl absorbs some of the light. This gives it a wonderful sheen or luster which adds depth and apparent mystery.  
Pearl oysters line their shells with a substance called nacre, which is very smooth and protects their soft bodies. If a grain of sand or other foreign matter works inside the oyster's shell, it is coated with the protective nacre and coat after coat is laid on until it becomes a pearl. Other oysters and clams coat objects this way; but their nacre does not have the beautiful luster of that of the pearl oyster--hence their stones have no value. Pearl fishing is carried on in various parts of the Far East, divers bringing up the oysters in baskets. The oysters are opened on shipboard. Large numbers are often examined before a fine pearl is found, but what a thrill it must be when this happens!

FOR YOU TO DO: Look in a jeweler's window at the pearls he has on display to see if you can detect the difference in luster between the fine high-priced ones and the inexpensive imitations.

Richard Roy of Elizabeth, N. J., wins today's combined prize of Compton's Illustrated Science Dictionary plus \$10 cash for this question. Mail yours on a postcard to Junior Editors in care of The Review.

## Lions Club Told Of Plans On City Kent State Center

Details on the proposed establishment of a Kent State University Academic Center in East Liverpool were outlined by Frank A. Dawson, chairman on the Citizens committee for Better Schools, at the meeting on the Lions Club Friday afternoon at the Travelers Hotel.

The committee now is awaiting a go-ahead signal from the State Board of Regents, governing body of state universities, which is expected to act on Kent State's proposal at its meeting March 15.

If the regents approve the plan, the school is expected to start operation with night-time classes in the fall. KSU hopes to have at least 200 enrolled at the start.

There was a maximum of 100 students when Kent State had an extension operation here a few years ago. The present Salem center has about 165, Dawson said.

The operation will remain on a part-time basis until the present high school is vacated when the committee hopes to offer both day and night classes, the chairman said.

However, if there is sufficient demand for day classes at the beginning, the committee will try to provide a location, he indicated.

Dawson said he considered the establishment of the academic center "the same as an industry and a great thing for East Liverpool."

### Sedan Retrieved By Tow Truck In 'Hill Rd.' Mishap

A tow truck worked 45 minutes to retrieve an East End man's 1955 model sedan which came to a precarious halt on a steep embankment Friday after skidding out of control and crashing through guardrails on the west end of the Pennsylvania Ave. "Hill Rd." police reported.

Edgar Allen Poe, 45, of 912 Railroad St. escaped unhurt in the crash at 9:57 a.m. 80 feet east of E. 4th St. Patrolman Paul A. Burson Jr., investigating officer, reported. There was damage to the right side of the car and seven guardrail posts, Burson said.

Poe reported he was driving east about 15 miles an hour when the front end of his car began to slide on slippery pavement. He lost control and the car plunged through the guardrail and over the embankment, coming to a halt against some pilings embedded in the hillside, the officer said.

George Williams of Wellsville R.D. 1, whose car was behind Poe's, corroborated the East End man's report.

### Chamber Board And Committees' Heads Will Meet

The Board of Trustees of the Chamber of Commerce will meet with chairmen of standing committees in a dinner session Tuesday at 6 p.m. at the Travelers Hotel.

The agenda will include the board's regular monthly business meeting, plus reports from all committee heads.

The primary purpose of the meeting is to review committee activities in the last year and to plan the Chamber's future program of action.

Robert E. Boyce, president, will preside. The meeting will take the place of the board's monthly meeting. The sessions with the committee chairmen are held several times a year.

Dinner reservations should be made by Monday, the Chamber said.

### 4 District Navy Men In California Exercise

Four district Navy men are taking part in a major amphibious training operation off the coast of California in which over 60 ships and 50,000 Navy and Marine personnel are participating.

They include Machinist's Mate Fireman Larry Mackall, son of Mr. and Mrs. Samuel Mackall of East Palestine R.D.; Fireman App. Tony DeSene, son of Tony DeSene, 1805 Danury Ave., Wellsville, and Hospital Corpsman IC Walter Henry, son of Mr. and Mrs. Elwood Henry of Wellsville R.D. 1 and Fireman Roland Hall, son of Mr. and Mrs. Roland Hall of Lisbon.

### County Planning Unit To Convene Thursday

LISBON — The Columbiana County Regional Planning Commission will meet Thursday at 8 p.m. in the county commissioners' offices. The executive committee will meet at 7:30, according to Floyd Lower, president.

The agenda will include completion of plans for the spring report, plans for the first annual public meeting in April, adoption of recommendations of the parks and recreation committees and action on proposed road improvements.

Earl L. Wright of Ashtabula County, consultant, will attend.

### Weir High Faculty Served By Cafeteria

The Weir High School faculty was to be served lunch today in another "trial" run of the new cafeteria kitchen in the senior high school.

Board of Education members were served the first meals to be prepared Thursday noon. Supt. Robert Hall and Asst. Supt. Charles McKinney were present.

Weir High students will be served beginning Monday.

## Behind the scenes of modern family life is a modern P.S.P. Electric Water Heater

You won't find our Protected Service Plan symbol on just any water heater. Only electric water heaters meeting Ohio Power's standards can display the P.S.P. symbol.

And, because we know every P.S.P. water heater is so reliable, Ohio Power offers a ten-year service plan for only \$10. No restrictions. Our Protected Service Plan guarantees complete service, even tank replacement if needed, for ten full years at no additional cost.

A flameless P.S.P. water heater produces no fumes, needs no flues or vents. Install anywhere and get sanitary, 150° hot water—

plenty of it, faster than most families can possibly use it.

And it does its superlative job for only about \$1 per month per person on Ohio Power's low 1¢ rate for water heating.

Nicest thing about a P.S.P. water heater: Once you get it you forget it.

**SAVE up to \$50**

Now, save \$25 two ways on Protected Service Plan Electric Water Heaters!

1 \$25 TRADE-IN ALLOWANCE for your old water heater, any type.

2 \$25 MODERNIZATION ALLOWANCE for 240-volt wiring if you need it.
